

ASSEMBLY INSTRUCTIONS

1. Carefully unpack and identify all parts referring to illustration for parts identification.
2. Turn the power to the installation point OFF.
3. Lock the swivel (9) to the box (6) using the washer (8) and the hex nut (7).
4. Install the cover (4) to the box (6) using the round nut (3) and the nipple (5).
5. Determine the desired height at which the pendant will be installed and select the stems.
6. Thread the wire through the stems (10). Connect the stems together and install them on the connector (12), with the longer stems installed on the connector (12) and the shorter stems closer to the canopy.
7. Connect the stems (10) to the loop (11).
8. Refer to the additional installation instructions included with the product for wiring and installation.
9. Install the canopy (1) to the ceiling using the ball nut (2).
10. Restore power to the installation point and retain this sheet for future reference.
