

ASSEMBLY INSTRUCTIONS

1. Carefully unpack and identify all parts referring to illustration for parts identification.
2. Turn the power to the installation point OFF.
3. Install the glass shade (2) onto the bottom bracket making sure the glass sits in the groove. Install the top bracket (3) making sure the glass fits inside the groove. Secure the bracket (3) to the frame using the metal nut (4).
4. While threading wires through, assemble the rods (6) together using the nipples (5), then attach the bottom nipple (5) into the coupling (7) tightly. Thread the the swivel (8), onto the top rod (6).
5. Refer to the additional installation instructions included with the product for wiring and installation.
6. Install proper bulbs (not included) into each socket referring to the markings and/or labels on the fixture for maximum wattage.
7. Restore power to the installation point and retain this sheet for future reference.
