Scepter

WS-10830

PRODUCT DESCRIPTION

A majestic addition to our collection, Scepter is finished in aged brass for a toned-down take on the luxe décor trend. A solid crown of V-cut seeded crystal is affixed to the top for a glamorous refraction, creating a beautiful play of light and shadow on the wall. Meanwhile, the hidden downward-illuminating LED module provides plenty of ambience and enough illumination for spatial orientation in low light areas.

FEATURES

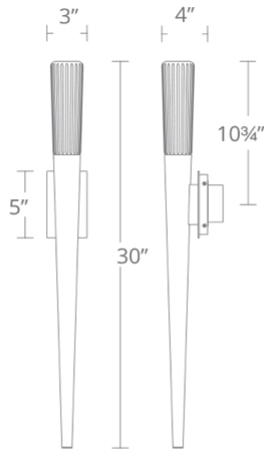

- Driver installed within the Junction Box, driver dimension: 2 7/8" x 1 3/8" x 1 1/8"
- V-cut K5 seedy crystal
- Ultra-bright lumen output from downlight
- Conversion plate included for 4" junction box
