

Montour Floor Lamp

TFT1031 | 1.0

GENERATION LIGHTING PORTABLE

GENERAL PRODUCT INFORMATION:

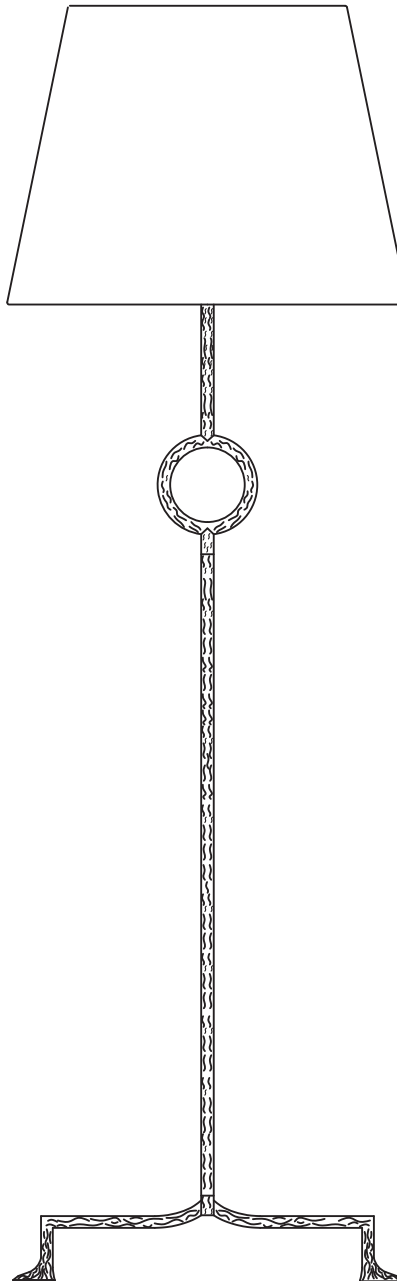

This product is safety listed for dry locations only.

Incandescent version may be dimmed with a standard incandescent dimmer. LED version may be dimmed with a LED dimmer. Consult lamp manufacturer for additional information.

This instruction shows a typical installation.

IMPORTANT SAFETY INSTRUCTIONS
This portable lamp has a polarized plug (one blade is wider than the other) as a safety feature to reduce the risk of electric shock. This plug will fit in a polarized outlet only one way. If the plug does not fit fully in the outlet, reverse the plug. If it still does not fit contact a qualified electrician. Never use with an extension cord unless plug can be fully inserted. Do not attempt to defeat this safety feature.

Assemble the Lamp

IA

- 1 Assemble the fixture by screwing the bottom stem to the top stem, then screwing the stems to the fixture base.
- 2 Install the harp by inserting it completely into the yoke.
- 3 Screw the lamp into the socket. Refer to the label on the lamp socket for Max Wattage Information.
- 4 Place the shade and cover onto the harp nipple, then secure them in place by screwing the finial onto the harp nipple.
