## UNBOXING INSTRUCTION:

## THE PROBLEMS YOU MAY FACE:

### 1. Too Firm? Not comfortable?

Since everyone has different feelings about the soft and hard, We will fill enough foam to ensure its support. However, if you still feel too hard, you can take some foam out. On the contrary, you can fill in the extra foam we gave away.

### 2. Can't support well?

**Step 1:** Please give the pillow 2-3 days to fully expand, more time more fully expand.

**SMALL TIPS:** You can assist this expansion by shaking and slapping it upside down.

**Step2:** Adjust the armrest of the reading pillow to the most comfortable support position according to the tilt angle of your body.

### 3. Unpleasant odor?

New foam may initially have a slight odor. It is completely harmless the odor will dissipate over 1 week with regular use. You can also air it outside make the odor disappear faster.

### NOTE:

1. Due to unique characteristic of foam, the expanded size may be different, which is normal and will not affect the performance of your pillow.
2. The pillow itself cannot be washed or dried. However the outer cover is removable and machine washable for your convenience.
