This Order Request contains all specifications for your Custom instrument. PLEASE REVIEW CAREFULLY AND BE AWARE THAT WE MAKE NO ASSUMPTIONS REGARDING YOUR SPECIFICATIONS. Please ensure that each item presented is exactly as you and your customer have specified. This document will constitute the final manufacturing specifications for your instrument.

Please feel free to call us if you have any questions or if you need to make any changes to this order request prior to submission. If additional changes are required- including changes Martin may deem necessary for structural or aesthetic integrity, then we will add them as necessary or issue a revised request requiring your acknowledgement. THIS REQUEST IS VALID FOR SIXTY (60) DAYS FROM THE DATE INDICATED. If you are satisfied that the specifications for your instrument are correct, then the Dealer must sign below to authorize and return to C.F. MARTIN & CO., INC. or fax a copy directly to us at 1-484-291-6639, attention: Custom Shop.

After we have received your signed Order Request, we will promptly submit the Custom guitar into production. THE SPECIFICATIONS ON THE SIGNED ORDER REQUEST ARE CONSIDERED FINAL, AND NO FURTHER CHANGES OR CANCELLATIONS ARE PERMITTED. Once received, custom orders are non-cancelable. If your customer cancels the order after we receive the signed request, you (Dealer) remain responsible for the instrument and specifically for payment in full upon completion. Again, please feel free to call us at 800-633-2060 if you have any questions concerning your Custom guitar.

Artwork- Artwork submitted must be free of royalty and client (dealer/consumer) attests to such. Martin reserves the right to challenge or refuse the submission of any artwork deemed to be "familiar to the general public" or otherwise objectionable in any way. Art / imagery designed in collaboration with Martin that is not considered "Turn-Key" will be considered property of Martin and therefore may not be considered exclusive or otherwise protected from subsequent use.

Dealer-configured and Consumer-configured customs shall not be named, described, and/or advertised using Martin Standard Nomenclature and must follow approved Custom Nomenclature policy. "Martin Standard Nomenclature" is defined by model name found on the Martin Guitar MAP price list.
