...because **we care**

"It is said a society is judged by how it treats its elderly, disabled and disadvantaged. The quality of life of the elderly and the protection of their dignity is becoming a significant public issue whether it relates to medical treatment, pension provision, inheritance and equity release, age discrimination, personal care or the protection of human rights."
Quote from Brenda Currill, the founder of Medoris Care.

Our history

.....

Brenda, our founder, identified several areas in need of improvement where little product development had taken place for many years. This was especially true, when it came to addressing comfort and dignity issues of the vulnerable.

Who are we?

.....

We are a leading provider of award-winning specialist products, specifically designed to help people with differing care needs. This includes adaptive clothing and practical products for those with physical support needs.

Innovation

.....

Combining her 20 years of experience in textile design and her close working relationship with the care profession, Brenda developed a range of easy to-use, adaptive clothing for the elderly together with other helpful products addressing the issues of dementia, pressure care, positioning, continence care and their inter-relation.

Our areas of care:

.....

- Dementia (wandering, aggression, depression, inappropriate undressing).
- Frailness.
- Loss of independence, dexterity and mobility.
- Loneliness and boredom.
- Incontinence.
- Skin sensitivity (sores, ulcers).
- Positioning and pressure relief.
- Palliative care.
- Special needs and learning difficulties.

Our prime objectives of care:

.....

- Comfort and dignity of the individual.
- Ease of use and time saving for the carer.
- Cost savings for the care provider.

A Medoris is Care has grown and evolved, so too has the wide range of products and innovations we offer. We are proud to say that our quest for providing professional specialist care aids still continues today.

...because we care

NIGHT WEAR

All in one pyjamas- long & short sleeves

M140 : All-in-One Pyjamas with Long Sleeves

Made with 100% pure cotton interlock fabric, this comfy top and bottom set is joined to make one garment and fastens at the back. The long 28" (71cm) zip with a tab and popper at the top make it easy for carers, but difficult for wearers, to access. This helps maintain continence hygiene, prevent infection and is helpful for those prone to picking, pad shredding and smearing behaviour. What's more, it can be modified for PEG or PEJ feeding.

M019 : All-in-One Pyjamas with Short Sleeves

This all-in-one top and bottom sleepsuit is a short sleeve version of M140. It has all the same features, including the long 28" (71cm) zip for modesty and PEG or PEJ feeding option. The stretchy cotton interlock fabric gives flexibility to move around, reduces perspiration and controls body temperature all year round. Suitable for those with Alzheimer's and other types of dementia where there's a tendency to try and inappropriately disrobe.

Colours :
Aqua,
Blue,
Pink,
Lemon

Open back night wear gown

Colours :
Aqua, Blue,
Lemon, Pink

Sizes :
Petite, S/M, L/XL

M080 : Completely Open Back Night Gown

This completely open back nightgown offers minimal intrusion by the carer, especially for those bedbound or sleeping. The generous fabric allows the wearer to be dressed and undressed with dignity and without having to raise their arms. It also has quick-release shoulder poppers to help toileting, medical treatments and personal care. What's more, the cotton interlock fabric is suitable for those with skin sensitivity.

M001 : Open Back Night Gown - Terry Cotton

This nightgown has a generous double flap-over back which provides excellent coverage, absorbency and minimal disturbance. Well-placed poppers help with blood pressure monitoring and taking blood samples, as well as with toileting, hygiene and personal care.

Open Back Night Gown

Colours :
Aqua, Pink,
Blue, Lemon

Sizes :
S/M, L/XL,
XXL

M003 : Open Back Night gown

This nightgown offers all the same features as M001, but is made with soft cotton interlock material. It too has the large over-lapping absorbent flap, the well-placed poppers to help with blood pressure monitoring, taking blood samples, toileting and personal care, as well as the wide neckline and loose fitting raglan sleeves, so it can be slipped on and off without lifting arms or causing any discomfort.

Adaptive Skirt

Styles :
Black Swirl, Denise,
Red Squiggle

Sizes : S/M, L/XL

Waist	71- 106 cm
Length	71 cm

M042 : Pull-On Open Back/Front Skirt

This adapted skirt has an overlapping section for easy access and it can be worn either at the back or the front, depending on the wearer's needs. Worn as an open back skirt, it can be parted for discreet toileting and hygiene, giving ladies maximum coverage, while keeping them dry. Worn as an open front skirt, it gives ladies the comfort of a fuller, looser fitting skirt and is helpful for those who remain seated for long periods of time. It also allows easy access for medical treatments and personal care. What's more, it has an elasticated waist, so it can be slipped on and off with ease by the wearer or carer.

M043: All-in-Open Back Adaptive Blouse

Soft and lightweight, it can be slipped on and off easily by the carer with minimal disturbance or discomfort for the wearer. With its completely opening back, it is easy to put on and attach the poppers on each shoulder without raising arms. The fabric closes on one another to cover the whole back providing comfort and dignity. It gives full coverage for the wearer and looks like a traditional top at first glance.

Additionally, the fuller arm design means it can be removed without too much bending of the arms or lifting them above the head. A huge benefit for the elderly or those suffering from restrictive conditions such as Cerebral Palsy, Muscular Dystrophy, Stroke or Multiple Sclerosis.

Ladies All-in-One Open Blouse Daywear H021

Women's All-in-One Daywear Jumpsuit - a comfortable and fashionable solution for ladies with Alzheimer's and dementia. This jumpsuit has a discreet back fastening and an elastic waist that creates the illusion of trousers and a blouse. It prevents inappropriate disrobing and is suitable for those prone to picking, pad shredding, and smearing behavior.

Made from easy-care stretch fabrics, this machine-washable jumpsuit offers comfort and dignity, eliminating the need for ironing. Explore our women's adaptive nightwear range for similar designs.

Women's All-in-One Jumpsuit (4130)

Women's jumpsuit with **short sleeves and short legs.**

Comes with an extra strong back zipper closure. Made with beautiful fashionable printed cotton, a premium quality fabric that is soft and long lasting. Made to withstand multiple washes. Looks and feels like casual pyjamas. Available in two designs.

Quality fabric: 100% cotton, 190 grams/m²

This is a women's jumpsuit with **long sleeves and long legs.** The stylish collar makes the overall looks like beautiful pyjamas. The long back zipper is extra strong and ensures easy dressing. The overall prevents diaper removal and self-undressing. Made from lovely and soft fabrics.

Quality fabric: 100% cotton, 230 gr/m²

This ladies dressing jumpsuit with **long sleeves and long legs features dual zipper closure: one at the back and one at the crotch.** Available in two fashionable and attractive patterns, it looks like casual pyjamas. The zipper at the crotch simplifies changing incontinence products while might preventing patient's access to them.

Quality fabric: 100% cotton, 190 gr/m²

Laundry Instructions: Wash at 60° degrees, do not bleach, and dry at a low setting, iron at a low setting.

Women's All-in-One Combi Jumpsuit - Day Wear (4131)

The Combi Hansop for Ladies is intended to be worn as outerwear. The Combi Hansop is worn as a whole; imitating the look of a blouse and trousers, but is actually in one piece. The Combi Hansop has been specially designed for people who are incontinent and who cannot stay away from their diapers during the day.

In addition, it is also suitable for those who undress themselves at random. The Combi Hansop is enclosed with a zipper. The back zipper runs through to the neck and does not cause discomfort.

M022 : B Warm Embroidered Jacket

Introducing our B Warm Lap Blanket and Cardigan - the perfect micro fleece two piece for maintaining dignity while keeping warm from top-to-toe. Designed with an adaptive design, users can pop both pieces together for added warmth or easily separate them into two. The lightweight lap blanket features snap-close poppers that attach to the cardigan, ensuring it stays neatly on the lap without slipping off onto the floor.

The cardigan, with soft and lightweight material, has fuller sleeves that minimize the need for too much bending or lifting of arms, making it easy to put on and take off. Quick-release fastenings are also well-placed for medical treatments. Ideal for those who sit for long periods, wheelchair users or those who feel the cold more, our B Warm Lap Blanket and Cardigan offers flexibility and warmth for everyday comfort and care.
