de la couture

Nous suivons chaque client avec le même soin et le
même professionnalisme

Dal 1988 produciamo capi sportivi e tecnici in grado di migliorare le performances di chi vive e ama lo sport, assicurando i massimi standard di qualità, sicurezza e comfort. Il servizio e la cura del cliente sono la nostra priorità: la nostra principale e grande responsabilità è la soddisfazione e l'attenzione verso il consumatore.

Ci distinguiamo dai principali competitors perché siamo la prima azienda in Europa nel settore teamwear ad avere ottenuto la certificazione Oeko-Tex Standard 100, un ulteriore attestato che ci rende orgogliosi del lavoro svolto quotidianamente. Nella sede di San Polo di Torrile gestiamo l'intera filiera produttiva e lo sviluppo di tutte le fasi di lavorazione del prodotto, dalla selezione delle materie prime alla progettazione dell'aspetto grafico, dalla produzione dei prototipi fino alla consegna del capo finito.

Scegliamo di essere produttori perché ci permette di garantire la massima sicurezza grazie a meticolosi controlli interni. L'efficace gestione aziendale si impegna ogni giorno a monitorare e migliorare l'organizzazione e il controllo, ottimizzare i processi, ridurre le inefficienze, contribuendo così alla qualità dei prodotti e servizi. Grazie al prezioso lavoro quotidiano, abbiamo ottenuto la certificazione ISO 9001:2015.

Oggi siamo presenti in 80 paesi, in costante ricerca di nuovi mercati e nuove sfide.

Depuis 1988, nous produisons des articles sportifs et techniques en mesure d'améliorer les performances de ceux qui vivent et aiment le sport, en assurant les plus hauts standards de qualité, de sécurité et de confort. Le service et le soin du client sont notre priorité : notre grande et principale responsabilité est la satisfaction et l'attention envers le consommateur.

Nous nous distinguons par rapport à nos principaux concurrents car nous sommes la première entreprise en Europe dans le secteur du teamwear à avoir obtenu la certification Oeko-Tex Standard 100, une attestation supplémentaire qui nous rend fiers du travail réalisé quotidiennement. La gestion de l'ensemble de la filière de production ainsi que le développement de toutes les étapes de réalisation du produit, sélection des matières premières, projet graphique, production des prototypes et livraison des vêtements finis - ont lieu au siège de San Polo di Torrile. Nous choisissons d'être producteurs car cela nous permet de garantir la sécurité maximale grâce à des contrôles méticuleux que nous réalisons en interne. Grâce à une gestion efficace, l'entreprise s'engage chaque jour à suivre et à améliorer l'organisation et le contrôle, à optimiser les processus, à réduire les inefficacités, contribuant ainsi à la qualité des produits et des services. Grâce au précieux travail quotidien, nous avons obtenu la certification ISO 9001:2015.

Nous sommes aujourd'hui présents dans 80 pays, à la recherche permanente de nouveaux marchés et de nouveaux défis.

Since 1988, we've been producing sports and technical clothing able to boost the performance of those who love practising and experiencing sport, guaranteeing top standards of quality, safety and comfort. Customer service and care are our priority: our primary responsibility is to attend to and meet our customers' needs.

What sets us apart from our main competitors is that we are the first company in the teamwear sector in Europe to have obtained Oeko-Tex Standard 100 certification, a further demonstration of why we can be proud of the work we do every day.

The entire production chain is managed at its headquarters in San Polo di Torrile, along with the development of all the manufacturing stages: from the selection of raw materials to the design of the graphics, from prototype production right up to the shipment of the finished garments.

We have chosen to produce our own items because it allows us to guarantee maximum safety, thanks to the meticulous checks we carry out in-house.

Every day, our efficient corporate management strives to monitor and improve organisation and control, optimise processes and reduce inefficiencies, thus boosting the quality of our products and services. This sterling effort we make every day has earned us ISO 9001:2015 certification.

Today we are present in 80 countries and constantly on the lookout for new markets and challenges.
