BUILD YOUR OWN GUESS WHO GAME

- INCLUDING:
- 2 GAME BOARDS
 - 2 FACE CARDS SETS TO STICK ON GAME BOARD
 - 1 SELF-DRAW CARDS SET

INSTRUCTIONS:

Each player takes their game board of 24 faces (both players have the same faces) and selects one, placing it face down so your opponent can't see it. This card represents the character your opponent has to guess and whom they will be asking you questions about.

The youngest player goes first, by asking the other player a characteristic found on their 24 visible characters. Example: "Does your character have brown hair?" If they say, "yes," the asking player turns over all of the characters without brown hair. If they say, "no," the asking player flips over the characters that have brown hair. Through the process of elimination, players will eventually be able to "guess" the name of the opponent's character.

BAKE BISCUITS FOR YOUR BUDDIES

KIM-JOY'S MOLANG SHORTBREAD BISCUITS

This is an easy, three ingredient, buttery and delicious shortbread! Which is then decorated with super cute Molang icing. You can flavour the biscuits however you want - try lavender, orange or lemon zest, rosemary or orange blossom.

 **MAKES: 24-30**

INGREDIENTS

FOR THE BISCUITS:

200g salted butter

270g plain flour

85g caster sugar

FOR THE ROYAL ICING:

200g icing sugar

40g egg white

Food dye
(the main colours for Molang
are white, black, brown and pink
- add other colours for accessories!)

METHOD

1. Beat together the butter and caster sugar in a mixing bowl, until smooth and fluffy.
2. Add the flour and mix by hand until just combined. The dough should be slightly sticky, but soft and easy to handle. If necessary, wrap the dough in cling film and chill in the fridge for 10-15 minutes or until firm enough to roll out.
3. Turn out on to a well-floured surface and roll out to desired thickness. Cut out Molang shapes using a cut out cardboard template (cut around the template), and transfer to a lined baking tray (that you can fit in the freezer).
4. Place in the freezer for 10-15 minutes, and preheat the oven to 160C fan/gas mark 3.
5. Bake for 10-15 min, or until just lightly browned at the edges. Leave to cool for 10 minutes on the baking tray, then gently transfer to a wire rack to finish cooling.
6. Make the royal icing - just whisk together the icing sugar and egg white in a bowl, until smooth. Make sure the consistency is pipeable, you can add additional icing sugar/egg white to adjust.
7. Divide into portions and colour using food dye. Make the black icing or brown icing slightly thicker consistency to pipe, as you will use this to outline Molang and add facial features.
8. Then transfer all your different colours to piping bags. Outline Molang using the black icing, and then fill within the outline. Leave to semi set for about an hour (or harden completely overnight) and then add the facial features, and use other colours to create cute accessories for Molang - I've
