

PHOTONTEK

HORTICULTURAL LIGHTING

30W UV SUPPLEMENTAL LIGHT LED BAR

Unlock the full potential of your crops with our ultraviolet signaling technology. By utilizing this cutting-edge tool, you can create premium fruits and flowers that are unlike any other. With the power of UV signaling, you can enhance the flavor, aroma, and yield of your crop, increasing the main substance by up to 30%. And that's not all - our technology also helps control mold formation, reducing the need for chemical interventions. With gentle UV-B doses and the added benefit of UV-A, you can produce healthy, high-quality crops that are sure to impress. Don't settle for ordinary - elevate your growing game with our ultraviolet signaling technology today.

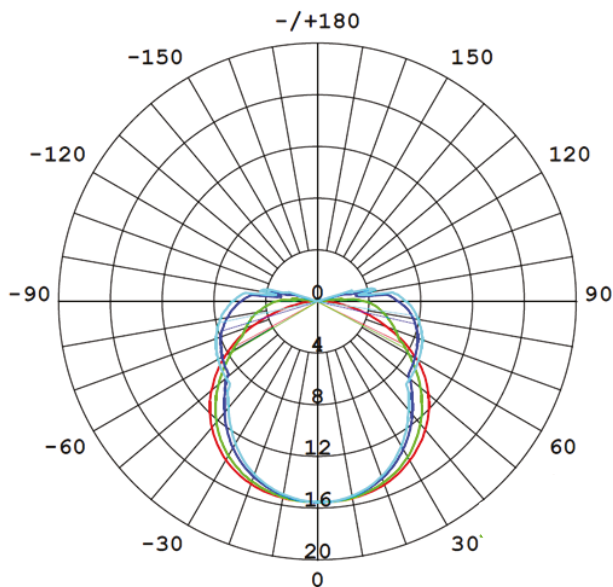

- 100 mW UV-B (280-315 nm)
- 12000 mW UV-A (315-400 nm)

WARRANTY

30W UV SUPPLEMENTAL LIGHT LED BAR

- Product Code: PTEKLED027
- UV-B (280-315 nm): 100 mW
- UV-A (315-400 nm): 12000 mW
- INPUT VOLTAGE: 120-277 V AC, 50-60 HZ
- DRIVER: 30 W, 120-277 V AC, integrated
- INPUT POWER: 30 W (±5%)
- FOOTPRINT: 4 ft x 2 ft
- APPLICATION: Multi-layer, Room, Tent
- WATERPROOF & DUSTPROOF: IP65
- LIFETIME: L90 > 8500 HRS
- LIGHT DISTRIBUTION: 140°
- LIGHT SOURCE: UV-B and UV-A
- QUANTITY OF DIODES TOTAL: 8 UV-B, 40 UV-A
- DIMMABLE: No
- EXTERNAL CONTROL: No
- DAISY CHAIN CAPABILITY: Yes
- WEIGHT : 2.7 Lbs
- DIMENSIONS: 39.4" x 1.9" x 1.7"
- THERMAL MANAGEMENT: PASSIVE
- POWER FACTOR: > 0.98
- MAX. AMBIENT TEMPERATURE: 104°F
- BTU: 102 BTUs/h
- WARRANTY: 1 YEAR
- CERTIFICATIONS: CSA, FCC and ICC

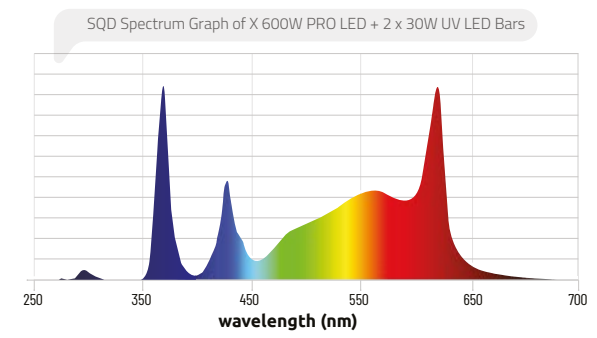

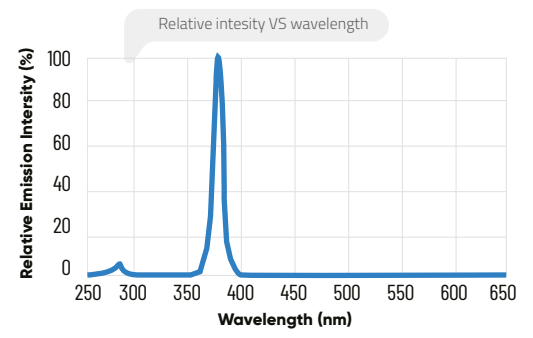

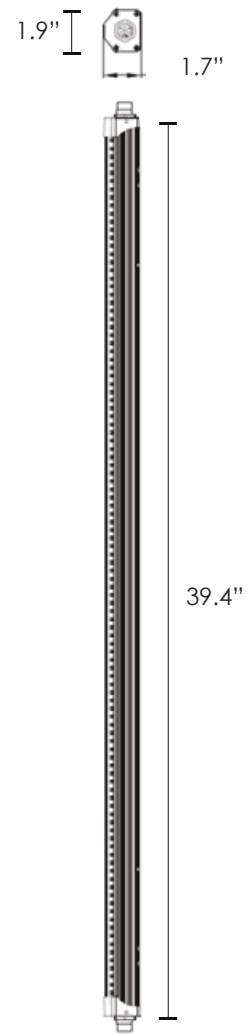

Unit: cd

C0/180	, 124.9
C30/210	, 121.0
C60/240	, 149.9
C90/270	, 159.4

AVERAGE BEAM ANGLE (50%) : 138.8 DEG

- ITEMS INCLUDED:**
- 1 x 30 W UV Supplemental Light LED Bar
 - 2 x Stainless Steel Hooks

- ITEMS SOLD SEPERATELY:**
- Power Cable Sold Separately 120V (PTEKM0025) or 240V (PTEKM0030)
 - UV Bar Daisy Chain Cable Sold Separately (PTEKM0026)
