Roasted Pulse Snacks	page 7	Oat Drink, Crackers, Vinegar, Syrup	page 14

Distributors

We are always happy to supply direct but also work with distributors including:

Suma Wholefoods • Queenswood • Tree of Life • Essential Wholefoods • Infinity Foods • Cotswold Fayre • Horizon Cambridge Food Hub • Greencity Wholefoods • Organic North • Wild Harvest • La Chasse • Direct Pantry • Barsby Produce

Packaging

We aim to reduce packaging, especially plastic, where possible and pack most products in compostable or recyclable packaging:

Biodegradable/compostable cellophane: most 500g or smaller packs of pulses, grains and seeds

Recyclable paper: flour and flaked cereals, 1kg and larger bags of most other products

Glass: fermented naked barley grain and fava bean umami paste • Steel: canned pulses

Our roasted bean and peas snacks are packed in recyclable LDPE plastic but we are exploring paper-based packs

Certified by SALSA for the storing, blending and packing of pulses, grain and assorted products

Certified by the Soil Association for the supply of a range of organic pulses and grains

We work with Red Tractor assured farmers and mostly BRC certified processors - contact us for full details

Many of our products are naturally gluten-free • We are an accredited Living Wage Employer
