SEWER AND WASTEWATER DEPARTMENTS

CS PRO

Granular Root Removal
50LB BUCKETS

CS Pro effectively controls both surface algae and bottom-attached algae in impounded waters, lakes, and ponds. This product also kills roots that clog sewer lines without damaging established trees or shrubs.

EXTREME HEAT

Sewer Degreaser & Rag Remover
50LB BUCKETS

Extreme Heat is the most powerful grease and blockage remover on the market. When added to water, these pellets have tiny aluminum needles that create a vortex of heat and turbulence. Within 5 minutes, it liquefies thick grease cakes and breaks down oils and fats.

RED HOT

Granular Sewer Solvent
50LB BUCKETS

Red Hot is our classic granular grease and blockage remover. Red Hot also liquefies thick grease and disintegrates oils and fats.

FLOAT

Lift Station Grease Maintainer
5GAL, 55 DRUM & 275 TOTE

Float can be applied to any lift station. It will constantly degrade grease and prevent build up like scum cakes and fat accumulations. It can also be used in wet wells.

PRX2

Granular Root Remover
50LB

PRX2 is our fastest root remover. You only need 1 pound per foot of line covered in roots. Apply it upstream, and the flow takes it to the root, where it clings to and rapidly dissolves 100% of the root mass, preventing grow-back. It also breaks down grease and deposits that are stuck to the root. You will be able to quickly clear the line of all roots and debris with little to no labor.

EN-ZIP

Digestive Enzyme Powder
25LB, 50LB BUCKETS

En-Zip is a safe and simple-to-use digestive enzyme powder. Pour a few ounces of powder directly into your drains, digesters, grease traps, and septic tanks. The powder is specially formulated to allow the microorganisms to resume their normal reproductive process the moment that water is added. It will liquefy the grease and other organic wastes while eliminating odors.

DISPEL

Bubble Gum Scent Odor Control
5GAL, 55 DRUM & 275 TOTE

Dispel eliminates odors such as hydrogen sulfites and methane. It doesn't hide or mask the odor; it completely eliminates even the most putrid odors in places like wastewater and sewer plants, lift stations, landfills, garbage trucks, dumpsters, and even port-a-potties. It completely neutralizes and cancels out the source of the odor, leaving behind a pleasant bubble gum fragrance. Also available in cherry and lemon scents. Dispel is 100% biodegradable.

J-P ULTRA

Jetter Degreaser Additive
5GAL, 55 DRUM & 275 TOTE

J-P Ultra shoots out of any jetter. It melts and liquefies grease that's stuck to the walls and doubles its effectiveness. This degrades grease so that it will not re-coagulate downstream. It also coats the interior of the lateral and main lines to prevent grease from sticking. Although powerful, it's completely safe for your entire system. It will not interfere with bug or enzyme systems at treatment plants. It's safe for wildlife, fish, and humans.

SUPER BRITE

Water and Sewer Tracing Dye
5GAL, 55 DRUM & 275 TOTE

Super Brite is a concentrated, fluorescent yellow-green dye that traces the flow of water in water and sewer lines. It's extremely helpful for inflow and infiltration issues, overflow analysis, and quickly locating leaks in lines. This gives you maximum visibility of water under many different conditions. It is simple to use in toilets, manholes, or any other access point to quickly locate your problem area.

SURVIVORS

Enzyme Sewer Line & Lift Station Maintainer
5GAL, 55 DRUM & 275 TOTE

Survivors is a powerful liquid enzyme maintainer. It's designed to completely dissolve and digest grease, oil, hair, paper, and even inorganic matter.

GREEN CLEAN

Algaecide

50 LBS

Green Clean is a strong algaecide that is 100% safe for potable water. Use 2–9 pounds per million gallons of water in ponds or lagoons. One pound of water can typically cover 15,000 square feet of surface area. It floats and clings to algae and naturally dissolves it. It's also safe for fish and wildlife.

S.A.F.E "C"

Sewer Anti-Foam Extreme Concentrate

5GAL, 55 DRUM & 275 TOTE

SAFE "C" is a sewer anti-foam that is specifically designed for wastewater treatment plants. This non-polluting formula is super concentrated. One gallon treats 10,000 gallons of surface water. SAFE "C" reduces foam in minutes and has a long-lasting effect. This prevents re-foaming in your clarifiers, digesters, and throughout the treatment process.

LOCATE-IT

Locate Marking Paint

CASES

Locate-It marking paint has a specialized inverted tip. It not only allows adjustable-size striping but also guarantees you'll yield 100% of the paint. Locate-It cans also come in bigger sizes than you would usually expect: each covers up to 500 feet of 2-inch lines. The colors are extremely bright and vibrant.

V.T.C.

Vac-Truck Cleaner

5GAL, 55 DRUM & 275 TOTE

VTC removes dirt, grease, oils, fats, and any deposits remaining in your vacuum truck. It loosens up stuck-on solids and silt. After cleaning, it leaves behind an anti-stick coating that makes the truck easier to clean in the future. It also eliminates odors from sewage. It's perfect for the inside of the tank and the entire outside of the truck, or any other heavy equipment.

MARKING FLAGS

Cases

1000 FLAGS (ANY COLOR)

WATER DEPARTMENTS

MARKING FLAGS

Cases

1000 FLAGS (ANY COLOR)

F.G. MAX

Food Grade Grease

CASES

FG Max is NSF-approved and 100% safe around potable water. It offers extremely long-lasting lubrication for water pumps, fire hydrants, and many other applications.

LOCATE-IT

Locate Marking Paint

CASES

Locate-It marking paint has a specialized inverted tip. It not only allows adjustable-size striping but also guarantees you'll yield 100% of the paint. Locate-It cans also come in bigger sizes than you would usually expect: each covers up to 500 feet of 2-inch lines. The colors are extremely bright and vibrant.

QUICK-KILL

All-Purpose Contact Weed Killer

5GAL, 55 DRUM & 275 TOTE

ACTIVE INGREDIENT: 4.35% DIQUAT

= AVAILABLE IN THAT STATE

= AVAILABLE IF LICENSED APPLICATOR

= NOT AVAILABLE

AL	AK	AZ	AR	CA	CO	CT	DE	DC	FL	GA	HI	ID	IL	IN	IA	KS
KY	LA	ME	MD	MA	MI	MN	MS	MO	MT	NE	NV	NH	NJ	NM	NY	NC
ND	OH	OK	OR	PA	RI	SC	SD	TN	TX	UT	VT	VA	WA	WV	WI	WY

Quick-Kill kills all growth on contact, but is safe enough to use directly in and around ponds, lagoons, river banks and drainage ditches. It removes submerged weeds like coontail, duck weed, and even algae without harming any wild life. It deactivates on contact with the soil, so it will not leach into the ground.

See Page 22
For Insecticides

ROAD AND STREET MAINTENANCE

PATCH IT

Pot Hole Patch

5 GAL PAILS

Patch It is an all-weather material containing bonded fibers that allow it to expand and contract with temperature changes. It never cracks. It comes in a resealable container, not a bag. Tamp it in level with the pavement, and it fuses and bonds to the surrounding area, locking out moisture.

C.Q.S.

Concrete Patching Compound

PAILS

CQS is a two-part epoxy equipped with aggregate that mixes quickly, making it very easy to apply. It dries stronger than the concrete, so it repairs and strengthens cracks, holes, edges, and curves. It's slightly flexible, so it binds and contracts with extreme temperature changes, making it a permanent repair that won't crack.

EZ SEAL

Asphalt Sealer & Filler

EZ Seal increases the life of the pavement and significantly reduces your need to repave and repair. Simply clean the surface, pour EZ Seal across the top, and let it seep into the cracks, level with the pavement. It dries into a waterproof sealant, preventing moisture from expanding into a larger hole. In addition, it's slightly rubberized, so it stretches with temperature changes and traffic conditions.

GRAFFITI-X WIPES

Street Sign Graffiti Remover

CASES

Graffiti-X Wipes remove all vandalism from signage without damaging the reflective coating. It's even safe enough to use on vinyl surfaces. It quickly removes ink, permanent marker, spray paint, and even paint balls without any heavy scrubbing. It will not smear or leave behind shadows.

MIX-BOND

Cold-Mix Adhesive Primer

5 GAL

Mix-Bond is an adhesive primer that is applied before you pack in your cold mix. Make sure there's no moisture in the hole, apply Mix-Bond with a broom or mop, then pack in your cold mix. This fuses your cold mix to the surrounding pavement, locking out moisture from ever getting under the repair. Using Mix-Bond will dramatically increase the life of all your repairs.

D'TAR 1000

Tar & Asphalt Remover

5 GAL, 55 DRUM & 275 TOTE

D'Tar 1000 is a heavy-duty tar, asphalt, and blacktop remover that can be diluted up to 25:1 with water. It melts away sticky tar, asphalt, and blacktop right off of trucks, pavers, rollers, graders, tools, and all of your equipment.

STICK PROOF

Asphalt Release Agent

5 GAL, 55 DRUM & 275 TOTE

Stick Proof is a safe and strong asphalt release agent. Spray or roll it on your truck beds, spreaders, shovels, rollers, and all of your equipment. It dries to a clear, hard, heat-resistant, and slick coating that tar, cement, and asphalt can't stick to.

STICK PROOF 1000

Asphalt Remover and Release Agent

5 GAL, 55 DRUM & 275 TOTE

Stick Proof 1000 is used to clean and prevent asphalt from sticking to paving equipment, tools, hot patch trucks, tailgates, milling machine radiators, material transfer machines, and asphalt plant drag chains.

TRUETRAC

Dust Control Agent

55 DRUM & 275 TOTE

TrueTrac is an environmentally safe, non-corrosive dust control agent. It's perfect for dirt, gravel, and even chip and seal roads. One application can last up to three months because it hardens dirt and dust and cements them to the ground. It's non-leaching, prevents erosion, improves visibility for drivers, and dramatically lowers your need to regrade.

FLEET AND VEHICLE MAINTENANCE

TOP-SHELF

Heavy-Duty Shop Degreaser
5 GAL, 55 DRUM & 275 TOTE

Top-Shelf is a hybrid cross between citrus and butyl. This makes the formula extremely strong but still safe for the skin. It melts away tar, grease, and oil right off your trucks, engines, graders, heavy equipment, and motor parts, and you can even clean your tools with it to eliminate rust. Dilute it up to 40:1 by hand or up to 80:1 if using a pressure washer.

BRAKE-DOWN

Brake and Parts Cleaner
CASES

Brake-Down is an organic formula that immediately removes brake dust, dirt, grease, tar, and brake fluids. It's non-flammable, non-corrosive, leaves no residue, and it's safe for all engine parts. You can dilute it with water either 10:1, 20:1, or even 40:1, depending on the job.

POLISH & PROTECT

Fleet Wash & Wax
5GAL, 55 DRUM & 275 TOTE

Polish & Protect is an advanced 3-in-1 formula that washes, waxes, and prevents rust on your vehicles. You dilute this 30:1 with water. Spray it on your trucks and heavy equipment, let it sit for a minute, and watch these amazing scrubbing bubbles do all the work. They loosen up stuck insects and remove dark exhaust dust, dirt, grease, and road tar. It leaves no streaks on windows, and it shines the chrome like a mirror.

FULL POWER

Concentrated Multi-Purpose Degreaser
5 GAL, 55 DRUM & 275 TOTE

Full Power is an industrial-grade orange scented degreaser. It's strong enough for metal sinks and toilets as well as concrete floors and walls. It's safe enough to use around food, kitchens and cafeterias. It also deodorizes while you clean, eliminating any offensive trash odors in your dumpsters or receptacles, leaving behind a slight citrus fragrance. Dilute up to 20:1 with water.

STAIN-ABSORBER

Oil Stain Absorbent
5GAL, 55 DRUM & 275 TOTE

Stain-Absorber is a unique stain remover. Spray it directly on an oil or grease spill, and it will foam immediately. That foam pulls out all the dirt, oil, grease, and grime from your asphalt or concrete floors. It even works on sealed surfaces. The foam dries into a powder that can be swept away the next day.

See Page 23

SCHOOL BUS MAINTENANCE

POLISH & PROTECT

Bus Wash & Wax

5GAL, 55 DRUM & 275 TOTE

Polish & Protect is an advanced 3-in-1 formula that washes, waxes, and prevents rust on your vehicles. You dilute this 30:1 with water. Spray it on your buses and heavy equipment, let it sit for a minute, and watch these amazing scrubbing bubbles do all the work. They loosen up stuck insects and remove dark exhaust dust, dirt, grease, and road tar. It leaves no streaks on windows, and it shines the chrome like a mirror.

FULL POWER

Concentrated Multi-Purpose Degreaser

5 GAL, 55 DRUM & 275 TOTE

Full Power is an industrial-grade, orange-scented degreaser. It's strong enough for metal sinks and toilets as well as for concrete floors and walls. It's safe enough to use around food, kitchens, and cafeterias. It also deodorizes while you clean, eliminating any offensive trash odors in your dumpsters or receptacles and leaving behind a slight citrus fragrance. Dilute up to 20:1 with water.

TOP-SHELF

Heavy Duty Shop Degreaser

5GAL, 55 DRUM & 275 TOTE

Top-Shelf is a hybrid cross between citrus and butyl. This makes the formula extremely strong, but still safe for the skin. It melts away tar, grease, and oil right off your trucks, engines, graders, heavy equipment, and motor parts, and you can even clean your tools with it to eliminate rust. Dilute it up to 40:1 by hand or up to 80:1 if using a pressure washer.

GRAFFITI-X WIPES

School Bus Graffiti Remover

CASES

Graffiti-X Wipes will remove all vandalism without damaging the vinyl seats. It's even safe enough to use on glass or plastic windows. It quickly removes ink, permanent marker, spray paint, and even paint balls without any heavy scrubbing. It will not smear or leave behind shadows.

DDDS ("TRIPLE-D S")

Concentrated Disinfectant

5 GAL, 55 DRUM & 275 TOTE

DDDS is a concentrated cleaner, deodorizer, and disinfectant for use in schools, hospitals, nursing homes, public facilities, jails, bathrooms, locker rooms, apartments, and hotels. It's formulated to disinfect hard, non-porous surfaces such as floors, walls, countertops, desktops, bathrooms, shower stalls, and bathtubs. A rinse with potable water is required for surfaces in direct contact with food. This product also deodorizes high-odor places like garbage storage areas, trash cans, dumpsters, and restrooms by killing odor-causing microorganisms and preventing the growth of mold and mildew. DDDS has demonstrated itself as an effective bactericide, fungicide, mildewcide, and viruscide in the presence of organic soil.

*See Page 23
For Winter Products*

FACILITIES, BUILDINGS, AND GROUNDS

MAINTENANCE

BOLD

Mold and Mildew Stain Remover

5GAL, 55 DRUM & 275 TOTE

Bold is a powerful non-drip gel chlorinated cleaner that removes mold and mildew on any surface without running, dripping, or wasteful fallout. This clinging gel cleaner removes stains and odors without running, dripping or fallout. Its fast-acting bleach-enhanced formula is effective on a wide variety of surfaces including tile, grout, plastic, fiberglass and vinyl. It also provides longer contact time with bathroom surfaces to remove some stains without scrubbing.

COIL KLEEN

Coil & Aluminum Cleaner

5GAL, 55 DRUM & 275 TOTE

Coil Kleen is a powerful yet safe solution that removes all dust, dirt, grime, mold, mildew and oxidation that accumulates on and around the coils. It dilutes 30:1 with water. The spray will foam up and the scrubbing bubbles will cling to the coils and do all the work for you. It's non-toxic and very powerful. Also use it to clean and shine any aluminum surfaces in your facility.

DRAIN AWAY

Odorless Drain Opener

5GAL, 55 DRUM & 275 TOTE

Drain Away is a caustic drain opener that has a PH of 13, making it completely safe. It's odorless and biodegradable, yet very powerful. Being heavier than water, it sinks and clings to blockages, immediately dissolving hair, grease and deposits, clearing the obstruction.

GRAFFITI 'X'

Graffiti Remover

5GAL, 55 DRUM & 275 TOTE

Graffiti 'X' quickly removes permanent marker, ink, spray paint, paint balls and other unsightly markings without any heavy scrubbing. Simply spray it on the affected area, let it sit for a moment and the scrubbing bubbles remove all the vandalism, without damaging the surface. Then just rinse it off. It's perfect for brick, concrete, tables, metal, glass, walls and bathrooms.

REPEL-IT-ALL

Graffiti Repellent

5GAL, 55 DRUM & 275 TOTE

Repel-It-All is a transparent sealer. Apply it like you would paint: roll or brush it on any non-porous surface. It basically turns the surface into a dry erase board. Ink, lead and spray paint just bead up and roll off. It will not harm any surface and will not affect reflective coatings on signs. Plus it's non-toxic and safe for the environment.

ORANGE POWER

All-Natural Jail House Cleaner

5GAL, 55 DRUM & 275 TOTE

Orange Power is a very powerful, all-natural degreaser. It's strong enough for metal sinks and toilets as well as concrete floors and walls. Because it's made from orange peel extracts, it's safe enough to use around food, kitchens and cafeterias. It also deodorizes while you clean, eliminating any offensive trash odors in your dumpsters or receptacles, leaving behind a slight citrus fragrance. Dilute up to 20:1 if using by hand, or up to 40:1 if using a pressure washer.

DDDS ("TRIPLE-D S")

Concentrated Disinfectant

5 GAL, 55 DRUM & 275 TOTE

DDDS is a concentrated, hospital use cleaner, deodorizer, and disinfectant for use in schools, hospitals, nursing homes, public facilities, jails, bathrooms, locker rooms, apartments and hotels. It's formulated to disinfect hard, non-porous surfaces: floors, walls, countertops, desktops, bathrooms, shower stalls, and bathtubs. A rinse with potable water is required for surfaces in direct contact with food. This product also deodorizes high-odor places like garbage storage areas, trash cans, dumpsters, and restrooms by killing odor-causing micro-organisms and preventing the growth of mold and mildew. DDDS has demonstrated itself as an effective bactericide, fungicide, mildew-cide, and virus-cide in the presence of organic soil.

ONE STEP

Floor Cleaner & Finish

5GAL, 55 DRUM & 275 TOTE

One Step is a 2-in-1 floor cleaner and finish. First, dilute it 40:1 with water. Apply with a mop or machine and this amazing material will renew old surfaces and restore them to look brand new.

This unique reactive polymer responds to polishing to recreate a spectacular wet-looking shine. Scratches are repaired in a single step, it removes scuff marks and extends the life of your floors.

GRIP

Anti-Slip Safety Floor Coating

5GAL

Grip is an amazing anti-slip floor coating. It's a must-have for any handicapped and high-traffic areas, both indoors and out. It's built-in tough grit formula that goes on clear. It's great for stairs, sidewalks, aquatic parks, entrances, and exits and any place where safety is important.

GERMCLEAN WIPES

Disinfecting Wipes

CASES

GermClean disinfecting hand and surface wipes are non-bleach, ready-to-use cleaning and disinfecting wet wipes. They're ideal for use in schools, hospitals, nursing homes, public facilities, jails, bathrooms, locker rooms, apartments, and hotels. They're formulated with Benzalconium chloride to disinfect hard, non-porous surfaces like counter tops, desktops, sinks, handles, and doorknobs. This product is one of the only surface disinfecting wipes on the market to also be approved for use on hands.

FERTILE MYRTLE

Concentrated Liquid Fertilizer

5GAL, 55 DRUM & 275 TOTE

Fertile Myrtle is a concentrated liquid fertilizer containing special penetrating agents to assure quick absorption into the soil - so nutrients can be immediately assimilated by plants. It contains balanced nutrients of organic nitrogen for prolonged growth and inorganic nitrogen for rapid greening and lush top growth. Phosphorous promotes strong root growth and potassium develops healthy, disease-resistant stalks. Regular feedings spaced over the growing season produce superior results over a single, heavy feeding.

PARKS & REC. DEPARTMENTS

GRAFFITI 'X'

Graffiti Remover

5GAL, 55 DRUM & TOTE

Graffiti 'X' quickly removes permanent marker, ink, spray paint, paint balls, and other unsightly markings without any heavy scrubbing. Simply spray it on the affected area, let it sit for a moment, and the scrubbing bubbles will remove all the vandalism without damaging the surface. Then just rinse it off. Graffiti 'X' will not smear or leave a shadow. It's perfect for brick, concrete, tables, metal, glass, walls, and bathrooms.

REPEL-IT-ALL

Graffiti Repellent

5GAL, 55 DRUM & TOTE

Repel-It-All is a transparent sealer. Apply it like you would paint: roll or brush it on any non-porous surface. It basically turns the surface into a dry-erase board. Ink, lead, and spray paint just bead up and roll off. It will not harm any surface and will not affect reflective coatings on signs. Plus, it's non-toxic and safe for the environment.

FIRE FIGHTER

Granular Fire Ant Killer

BAGS

Fire Fighter is a potent granular insecticide that eliminates roaches, fleas, sugar ants, and fire ants. It smells like food to bugs. As they feed, they become dehydrated and suffocate. One application of Fire Fighter lasts an entire season, so you can eliminate your pest problem immediately and keep them away for an extended period of time.

A.A.R.

All-Purpose Animal Repellent

50 LB BUCKETS

AAR is an amazing, truly organic, all-purpose animal repellent. It's proven to repel many different types of animals, from deer and elk to rats and prairie dogs, and even snakes and lizards. Apply it twice a week for two weeks. Simply sprinkle a perimeter line around the area where you want to deter any pesky animals. After that, you will not have any unwanted visitors for several months. You can even drop it in the holes of burrowing animals to make them flee.

AIRPORT MAINTENANCE

A.A.R.

All-Purpose Animal Repellent

50 LB BUCKETS

AAR is an amazing, truly organic, all-purpose animal repellent. It's proven to repel many different types of animals, from deer and elk to rats and prairie dogs, and even snakes and lizards. Apply it twice a week for two weeks. Simply sprinkle a perimeter line around the area where you want to deter any pesky animals. After that, you will not have any unwanted visitors for several months. You can even drop it in the holes of burrowing animals to make them flee.

RUN-WAY

Liquid Ice Melt and Pre-Treat

5GAL, 55 DRUM & 275 TOTE

ACTIVE INGREDIENT:

UREA, POTASSIUM ACETATE & CORROSION INHIBITORS

Run-Way is made of the same material airports use for their grounds. Apply it up to 12 hours before the ice forms as a pre-treat, and it provides a chemical barrier that completely protects against black ice. It's frost-activated, so it lies dormant until it makes contact with snow and ice. It makes a super-fast melt on sidewalks, stairs, valves, fire escapes, handicapped ramps, and everywhere else. It's effective down to 60 degrees below zero. It's 100% non-corrosive to concrete and metal. Run-Way never tracks in that white residue, so it won't stain your floors or carpets.

ENVIRO-SAFE 48

Granular Ice Melt

PAILS

ACTIVE INGREDIENT: SODIUM & MAGNESIUM CHLORIDE BLEND

Enviro-Safe 48 is a non-corrosive de-icer that lasts 48 hours. These pellets absorb 250 times their own size and weight in moisture. It quickly melts ice and snow from sidewalks, driveways, parking lots, and any area you don't want to damage with rock salt. In fact, these pellets are far more effective than salt, because they perform at 25 degrees below zero.

PATCH IT

Pot Hole Patch

5 GAL PAILS

Patch It is an all-weather material containing bonded fibers that allow it to expand and contract with temperature changes. It never cracks. It comes in a resealable container, not a bag. Tamp it in level with the pavement and it fuses and bonds to the surrounding area, locking out moisture.

EZ SEAL

Asphalt Sealer & Filler

EZ Seal increases the life of the pavement and significantly reduces your need to repave and repair. Simply clean the surface, pour EZ Seal across the top, and let it seep into the cracks, level with the pavement. It dries into a waterproof sealant, preventing moisture from expanding into a larger hole. In addition, it's slightly rubberized, so it stretches with temperature changes and traffic conditions.

FIRE AND E.M.S. DEPARTMENT PRODUCTS

POLISH & PROTECT

Fire Truck Wash & Wax

5GAL, 55 DRUM & 275 TOTE

Polish & Protect is an advanced 3-in-1 formula. It's designed to keep your trucks looking like they're ready for a parade at all times. You dilute this 30:1 with water. Simply spray it on your trucks, let it sit a few minutes, and watch the scrubbing bubbles do all the work. Polish & Protect neutralizes salt residue while removing all blackened exhaust dust, dirt, road tar, and even those stuck-on insects, without harming any logos or decals. It has a built-in protective wax coating that makes the red pop out and the chrome shine like a mirror. So when your trucks are dry, that protective coating prevents rust and repels dust, so you don't have to wash them as often!

POWER TEN-70

Hose And Turn-Out Gear Cleaner

5GAL, 55 DRUM & 275 TOTE

Power Ten-70 is an advanced hose and turnout gear cleaner. It's designed for departments that really take pride in maintaining their equipment. You dilute it 30:1 with water. This non-flammable and non-toxic cleaner removes hydrocarbon buildup, mud, sweat, and grime while prolonging the fireproofing capability of your professional gear. You can use it by hand or in the extractor. It completely cleans bunker gear, hoses, and everything around the fire house. Power Ten-70 is also a deodorizer, removing burnt odors as well as carbon and perspiration odors.

FIRE FIGHTING FOAM

5GAL, 55 DRUM & 275 TOTE

Fire Fighting Foam produces long-lasting, dense foam that offers superior water retention, smothering, and cooling vapor suppression. We specifically designed this product for use on class A and B (flammable liquid) fires. Simply dilute this product 30:1 or concentrate at 3% or 6% in a proportioning system. It's completely compatible with all surfactants and tank protectors. It's EPA and OSHA-approved.

D.P.C.

Diamond Plate Brightener

5GAL, 55 DRUM & 275 TOTE

DPC is an acid-free solution that you dilute 10:1 with water. Simply spray it on any metal surface, such as your diamond plate, and let it sit for a moment, and then just wipe or rinse it off. When it dries, it will shine like a mirror.

D-TOX WIPES

Decontamination Wipes

CASES

D-TOX Wipes are our top-of-the-line firefighting decontamination wipes. They easily wipe away contaminants that may contain harmful carcinogens while killing 99.9% of all bacteria, viruses, and blood borne pathogens. They're also extremely safe and fortified with aloe and vitamin E, making them perfect for your skin and entire body—and even bunker gear.

LOCK EMERGENCY POWDER

50 LB

Cleaning up spills is quick and simple. Lock prevents liquid from "flowing" and forces it to solidify into a mass. It absorbs 100X its own weight in liquid. Excellent odor for instant relief.

QUICK-KILL

All-Purpose Contact Weed Killer

5 GAL, 55 DRUM & 275 TOTE

ACTIVE INGREDIENT: 4.35% DIQUAT

AL	AK	AZ	AR	CA	CO	CT	DE	DC	FL	GA	HI	ID	IL	IN	IA	KS
KY	LA	ME	MD	MA	MI	MN	MS	MO	MT	NE	NV	NH	NJ	NM	NY	NC
ND	OH	OK	OR	PA	RI	SC	SD	TN	TX	UT	VT	VA	WA	WV	WI	WY

Quick-Kill kills all growth on contact, but is safe enough to use directly in and around ponds, lagoons, river banks and drainage ditches. It removes submerged weeds like coontail, duck weed, and even algae without harming any wild life. It deactivates on contact with the soil, so it will not leach into the ground. Perfect for use on highway shoulders, fence lines and around trees for a fast, complete kill.

DIQUAT PLUS

Heavy-Concentrate All-Purpose Contact Weed Killer

5GAL, 55 DRUM & 275 TOTE

ACTIVE INGREDIENT: 37% DIQUAT

AL	AK	AZ	AR	CA	CO	CT	DE	DC	FL	GA	HI	ID	IL	IN	IA	KS
KY	LA	ME	MD	MA	MI	MN	MS	MO	MT	NE	NV	NH	NJ	NM	NY	NC
ND	OH	OK	OR	PA	RI	SC	SD	TN	TX	UT	VT	VA	WA	WV	WI	WY

Diquat Plus is a super-concentrated contact weed killer. Use it to control aquatic weeds in public waters like ponds, lakes, and rivers, reservoirs, lagoons, and other bodies of water. It's also strong enough to use on fence lines, highway shoulders, or around trees and brush.

BARREN

Ground Sterilant

5GAL, 55 DRUM & 275 TOTE

ACTIVE INGREDIENT: 0.98% BROMACIL, 1.09% 2,4-D +

AL	AK	AZ	AR	CA	CO	CT	DE	DC	FL	GA	HI	ID	IL	IN	IA	KS
KY	LA	ME	MD	MA	MI	MN	MS	MO	MT	NE	NV	NH	NJ	NM	NY	NC
ND	OH	OK	OR	PA	RI	SC	SD	TN	TX	UT	VT	VA	WA	WV	WI	WY

The ready-to-use sterilant we carry here is called Barren. Spray it directly on the soil, not the vegetation, let it soak in, and it sterilizes the area so nothing will get rooted or grow for a full year or longer! So wherever you apply this, you'll see nothing but dirt for at least a year. Now, it's non-leaching, so it only kills where you spray. So, in conclusion, you will see extremely long-lasting results and save a ton of labor, which is obviously what you want out there anyway, RIGHT?

VACATE

Non-selective Herbicide

5GAL, 55 DRUM & 275 TOTE

ACTIVE INGREDIENT: 25% PROMETON

AL	AK	AZ	AR	CA	CO	CT	DE	DC	FL	GA	HI	ID	IL	IN	IA	KS
KY	LA	ME	MD	MA	MI	MN	MS	MO	MT	NE	NV	NH	NJ	NM	NY	NC
ND	OH	OK	OR	PA	RI	SC	SD	TN	TX	UT	VT	VA	WA	WV	WI	WY

Vacate is a ready-to-use sterilant. Spray it directly on the soil, not the vegetation, let it soak in, and it sterilizes the area so nothing will get rooted or grow for 1 full year or longer! No matter where you apply this, you'll see nothing but dirt for at least a year. It is also non-toxic and leaching, so it only kills where you spray.

PRO 4 PLUS

Contact Weed Kill

5GAL, 55 DRUM & 275 TOTE

ACTIVE INGREDIENT: 41% GLYPHOSATE

AL	AK	AZ	AR	CA	CO	CT	DE	DC	FL	GA	HI	ID	IL	IN	IA	KS
KY	LA	ME	MD	MA	MI	MN	MS	MO	MT	NE	NV	NH	NJ	NM	NY	NC
ND	OH	OK	OR	PA	RI	SC	SD	TN	TX	UT	VT	VA	WA	WV	WI	WY

Pro 4 Plus is a super high concentrate that quickly kills all weeds and grass on contact. It's made with 15% surfactant to give a stronger absorbent for a quicker kill. Use it on highway shoulders, fence lines, around trees and shrubs for a complete kill in less than 2 hours. Pro 4 Plus kills everything right down to the root without harming the soil. Dilute it up to 128:1 with water. It's non-leaching, so it only kills where you spray.

BROM 7.5

Ground Sterilant

5GAL, 55 DRUM & 275 TOTE

ACTIVE INGREDIENT: 7.5% BROMACIL

AL	AK	AZ	AR	CA	CO	CT	DE	DC	FL	GA	HI	ID	IL	IN	IA	KS
KY	LA	ME	MD	MA	MI	MN	MS	MO	MT	NE	NV	NH	NJ	NM	NY	NC
ND	OH	OK	OR	PA	RI	SC	SD	TN	TX	UT	VT	VA	WA	WV	WI	WY

Brom 7.5 is an extremely strong and long-lasting ground sterilant. Spray directly on the soil, and nothing will grow there for a full year. It's perfect for airports, parking lots, sidewalks, fence lines, medians, or anywhere else.

TOTAL KILL

Granular Total Kill and Sterilant

BUCKETS

ACTIVE INGREDIENT: 4.5% BROMACIL

AL	AK	AZ	AR	CA	CO	CT	DE	DC	FL	GA	HI	ID	IL	IN	IA	KS
KY	LA	ME	MD	MA	MI	MN	MS	MO	MT	NE	NV	NH	NJ	NM	NY	NC
ND	OH	OK	OR	PA	RI	SC	SD	TN	TX	UT	VT	VA	WA	WV	WI	WY

Total Kill is an easy-to-use granular weed killer and sterilant. Simply sprinkle it anywhere to prevent weeds or grass from growing there for a full season. One application wipes out all existing vegetation as well.

PRAMITOL 25E

Non-Selective Herbicide

5GAL

ACTIVE INGREDIENT: 25% PROMETON

AL	AK	AZ	AR	CA	CO	CT	DE	DC	FL	GA	HI	ID	IL	IN	IA	KS
KY	LA	ME	MD	MA	MI	MN	MS	MO	MT	NE	NV	NH	NJ	NM	NY	NC
ND	OH	OK	OR	PA	RI	SC	SD	TN	TX	UT	VT	VA	WA	WV	WI	WY

Pramitol 25E is a non-selective post-emergent bare-ground herbicide that acts as a soil sterilant, preventing plant growth for up to 1 year from application. It controls hard-to-kill Johnson grass, Bindweed, and other hard-to-kill vegetation. It's safe and effective for use around buildings, fences, recreational areas, roadways, airports, highway medians, pipelines, and parks.

HERBICIDES, cont'd

PRAMITOL 5PS

Granular Non-Selective Herbicide

CASE

ACTIVE INGREDIENT: 5% PROMETON

AL	AK	AZ	AR	CA	CO	CT	DE	DC	FL	GA	HI	ID	IL	IN	IA	KS
KY	LA	ME	MD	MA	MI	MN	MS	MO	MT	NE	NV	NH	NJ	NM	NY	NC
ND	OH	OK	OR	PA	RI	SC	SD	TN	TX	UT	VT	VA	WA	WV	WI	WY

Pramitol 5PS Pelleted Herbicide is a non-selective post-emergent bare ground herbicide that acts as a soil sterilant preventing plant growth for up to 1 year from application. It can be used around buildings, fences, recreational areas, roadways, airports, highway median pipelines and similar areas.

LIQUID VIII

Ground Sterilant

5GAL, 55 DRUM & 275 TOTE

ACTIVE INGREDIENT: 2.4% BROMACIL

AL	AK	AZ	AR	CA	CO	CT	DE	DC	FL	GA	HI	ID	IL	IN	IA	KS
KY	LA	ME	MD	MA	MI	MN	MS	MO	MT	NE	NV	NH	NJ	NM	NY	NC
ND	OH	OK	OR	PA	RI	SC	SD	TN	TX	UT	VT	VA	WA	WV	WI	WY

Liquid VIII is an extremely strong and long-lasting weed killer. It's non-selective and non-corrosive, so it can be used in areas with metal equipment. It's perfect for around buildings, along fence lines, or anywhere else.

SURE STUNT

Growth Retardant

5GAL, 55 DRUM & 275 TOTE

AL	AK	AZ	AR	CA	CO	CT	DE	DC	FL	GA	HI	ID	IL	IN	IA	KS
KY	LA	ME	MD	MA	MI	MN	MS	MO	MT	NE	NV	NH	NJ	NM	NY	NC
ND	OH	OK	OR	PA	RI	SC	SD	TN	TX	UT	VT	VA	WA	WV	WI	WY

Sure Stunt is a vegetation growth retardant that can be diluted up to 100:1 with water. First, mow the vegetation to your desired height. Then, spray it over the desired area. Sure Stunt will stunt the growth of anything for up to two months. It won't kill anything, and it won't harm the roots.

BANISH

Non-Selective Herbicide

5GAL, 55 DRUM & 275 TOTE

ACTIVE INGREDIENT: 1.2% BROMACIL

AL	AK	AZ	AR	CA	CO	CT	DE	DC	FL	GA	HI	ID	IL	IN	IA	KS
KY	LA	ME	MD	MA	MI	MN	MS	MO	MT	NE	NV	NH	NJ	NM	NY	NC
ND	OH	OK	OR	PA	RI	SC	SD	TN	TX	UT	VT	VA	WA	WV	WI	WY

Banish is a non-selective herbicide for controlling a wide range of annual and perennial weeds and grasses on non-cropland areas. It's a water-based, non-selective, total-kill, concentrated herbicide with residuals. Contains 1.20% Bromacil for long-term use up to 12 months. Spread with a rake or shovel, and wait a few minutes until it's dry. Resume play!

GROUND KING

Ground Sterilant

5GAL, 55 DRUM & 275 TOTE

ACTIVE INGREDIENT: 3.73% PROMETON

AL	AK	AZ	AR	CA	CO	CT	DE	DC	FL	GA	HI	ID	IL	IN	IA	KS
KY	LA	ME	MD	MA	MI	MN	MS	MO	MT	NE	NV	NH	NJ	NM	NY	NC
ND	OH	OK	OR	PA	RI	SC	SD	TN	TX	UT	VT	VA	WA	WV	WI	WY

Ground King sterilizes the selected areas to prevent unnecessary roots. Ground King works well in parking lots, guardrails, fence lines, etc.

POLARIS

Multi-Purpose Herbicide

5GAL

ACTIVE INGREDIENT: 27.2% SALT OF IMAZAPYR

AL	AK	AZ	AR	CA	CO	CT	DE	DC	FL	GA	HI	ID	IL	IN	IA	KS
KY	LA	ME	MD	MA	MI	MN	MS	MO	MT	NE	NV	NH	NJ	NM	NY	NC
ND	OH	OK	OR	PA	RI	SC	SD	TN	TX	UT	VT	VA	WA	WV	WI	WY

Polaris is a multi-purpose herbicide that provides powerful control over tough aquatic and brushy weeds. It can be used in all utility and roadside right-of-ways, wildlife openings and other non-crop areas. Offers very long-lasting control.

TRIPLE THREAT

Selective Herbicide

5GAL, 55 DRUM & 275 TOTE

ACTIVE INGREDIENT: 4.55% 2,4-DP + 2.29% MCPP + 2.6% 2,4-D

AL	AK	AZ	AR	CA	CO	CT	DE	DC	FL	GA	HI	ID	IL	IN	IA	KS
KY	LA	ME	MD	MA	MI	MN	MS	MO	MT	NE	NV	NH	NJ	NM	NY	NC
ND	OH	OK	OR	PA	RI	SC	SD	TN	TX	UT	VT	VA	WA	WV	WI	WY

Triple Threat is a potent herbicide that eliminates all types of broad leaf weed, thistle, ragweed, vines, as well as poison oak and poison ivy.

AMINE 400

Selective Weed Spray

5GAL, 55 DRUM & 275 TOTE

ACTIVE INGREDIENT: 46.47% 2,4-D

AL	AK	AZ	AR	CA	CO	CT	DE	DC	FL	GA	HI	ID	IL	IN	IA	KS
KY	LA	ME	MD	MA	MI	MN	MS	MO	MT	NE	NV	NH	NJ	NM	NY	NC
ND	OH	OK	OR	PA	RI	SC	SD	TN	TX	UT	VT	VA	WA	WV	WI	WY

Amine 400 is perfect to eliminate all broad leaf weeds and protect your grass. It's very concentrated and 1 gallon covers 4 entire acres! It's safe enough to use in croplands without damaging the crops, it's safe enough pastures without harming the livestock, and it works exceptional in drain ditches, and fence lines! And the best part is it lasts a good long time, so you're not out there doing the same job over and over. I know you can see the benefits in that RIGHT!

AMINE 4

Selective Weed Spray

5GAL, 55 DRUM & 275 TOTE

ACTIVE INGREDIENT: 46.47% 2,4-D

AL	AK	AZ	AR	CA	CO	CT	DE	DC	FL	GA	HI	ID	IL	IN	IA	KS
KY	LA	ME	MD	MA	MI	MN	MS	MO	MT	NE	NV	NH	NJ	NM	NY	NC
ND	OH	OK	OR	PA	RI	SC	SD	TN	TX	UT	VT	VA	WA	WV	WI	WY

Amine 400 is ideal for getting rid of any broad leaf weeds and safeguarding your grass. It works incredibly well in drain ditches and fence lines, and it is safe enough to use in croplands and pastures without endangering the crops or the livestock. The finest feature is that it lasts for a very long period, preventing you from continuously performing the same task.

INSECTICIDES

W.H.K.

Wasp and Hornet Killer

CASES

WHK is perfect for keeping you safe out in the field. It has a specialized nozzle-tip that allows you to aim and shoot from 30 feet away with complete accuracy. WHK delivers an immediate kill of the hive.

CITRA-SWAT

All-Natural Bug Spray

ACTIVE INGREDIENT: D'LIMONENE

Citra-Swat is an all-natural bug spray that's extremely effective for indoor or outdoor applications. It eradicates all existing bugs and gives you a residual effect to keep away insects like ants, roaches, spiders, fleas and ticks. It eliminates your insect problem with the all-natural ingredient d'limonene, which causes the insects to suffocate on contact. This non-toxic insecticide is EPA approved.

BLITZ

Liquid Fire Ant Killer

5GAL, 55 DRUM & 275 TOTE

Blitz is a residual contact killer of fire ants and crawling insects. Spray it on any surface or around the mound. This will wipe out the entire population and leave a residual effect for up to 4 months. It's EPA and OSHA approved and safe for the environment.

FIRE FIGHTER

Granular Fire Ant Killer

BAGS

Fire Fighter is a potent granular insecticide, that eliminates roaches, fleas, sugar ants and fire ants. It smells like food to bugs. As they feed, they become dehydrated and suffocate. One application of Fire Fighter lasts an entire season, so you can eliminate your pest problem immediately, and keep them away for an extended period of time.

A.A.R.

All-Purpose Animal Repellent

50 LB BUCKETS

AAR is an amazing truly organic all-purpose animal repellent. It's proven to repel many different types of animals from deer and elk, to rats and prairie dogs, and even snakes and lizards. Apply it twice a week for two weeks. Simply sprinkle a perimeter line around the area where you want to deter any pesky animals. After that, you will not have any unwanted visitors for several months. You can even drop it in the holes of burrowing animals to make them flee.

FLY AWAY

Transparent Bird Repellant

PAILS

Fly Away is a biodegradable product that lasts years. Simply spray or brush it on and it repels all birds from landing on and defecating in your space. Wherever you apply Fly Away, it becomes so slippery that the birds cannot get a good footing and simply "fly away." It's perfect for rooftops, beams, inlets, power lines, rain gutters and basically anywhere the birds commonly land.

MALATHION #50

Concentrated Mosquito Control

5GAL, 55 DRUM & 275 TOTE

Malathion #50 is an extra strength highly concentrated mosquito killer that can be diluted up to 30:1 with water. Spray this product in problem areas and you will get at least a 2-3 month residual kill of not just mosquitos and their larva, but also flies, gnats, biting midges, moths and small flying insects.

EXTINCT

Mosquito and Multi-Insect Spray

5GAL, 55 DRUM & 275 TOTE

Extinct is a multi-insect killer that quickly eradicates mosquitoes, bedbugs, mites, spiders, ants, cockroaches, house flies, moths, beetles, ticks, scorpions, crickets, bees, wasps, fleas, lice, gnats, fruit flies, millipedes and many others.

WIPE-OUT

Insect Repellant Wipes

CASES

The easiest way to keep bug bites, infections and allergic outbreaks away from you and your crew is with our fantastic Wipe-Out insect repellent. Being a wipe it will not wind up in someone's eyes or mouth, plus you'll never have mist problems on windy days. One application provides all day protection. It's even enhanced with aloe to keep skin smooth and soft. You can even apply it to clothing if needed without the risk of any staining.

WINTER PRODUCTS

RUN-WAY

Liquid Ice Melt and Pre-Treat

5GAL, 55 DRUM & 275 TOTE

ACTIVE INGREDIENT:

UREA, POTASSIUM ACETATE & CORROSION INHIBITORS

Run-Way is made of the same material airports use for their grounds. Apply it up to 12 hours before the ice forms as a pre-treat, and it provides a chemical barrier that completely protects against black ice. It's frost activated, so it lies dormant until it makes contact with snow and ice. It makes a super fast melt on sidewalks, stairs, valves, fire escapes, handicapped ramps and everywhere else. It's effective down to 60 degrees below zero. It's 100% non-corrosive to concrete and metal. Run-Way never tracks in that white residue, so it won't stain your floors or carpets.

ENVIRO-SAFE 48

Granular Ice Melt

PAILS

ACTIVE INGREDIENT:

SODIUM & MAGNESIUM CHLORIDE BLEND

Enviro-Safe 48 is a non-corrosive de-icer that lasts 48 hours. These pellets absorb 250 times their own size and weight in moisture. It quickly melts ice and snow from sidewalks, driveways, parking lots and any area you don't want to damage with rock salt. In fact, these pellets are far more effective than salt, because they perform in 25 degrees below zero temperatures.

DE-FREEZER

Liquid Ice-Melt & Pre-treat

5GAL, 55 DRUM & 275 TOTE

De-Freezer is the economical way to stay ahead of winter storms to ensure safe transit of pedestrian and vehicle traffic. When used as a pre-treatment, De-Freezer will prevent the bonding of snow and ice to pavement and other surfaces which will make mechanical clearing much more efficient. With efficacy down to 60 degrees below zero temperatures, De-Freezer is also extremely effective at melting already present snow and ice on a multitude of surfaces.

ROCK SALT REMOVER

Calcium & Salt Remover

5 GAL, 55 DRUM & 275 TOTE

Rock Salt Remover completely neutralizes salt and calcium residue on your trucks and equipment. Rock Salt Remover guarantees the salt will not rust anything. Also use it on sidewalks to stop the salt from eating away at the concrete. It also has a built-in rust-inhibitor that protects metal surfaces like plows, spreaders, sanders and undercarriages. Dilute up to 40:1 with water.

4 SEASONS GUARD

Rust & Corrosion Protectant

5GAL, 55 DRUM & 275 TOTE

4 Seasons Guard is a weatherproof sealant for your trucks, graders, plows and heavy equipment. This graphite encapsulant locks out moisture while treating and conditioning the metal. It forms a barrier to protect from forming new rust and corrosion. It also neutralizes any existing rust so it won't spread. You'll get long term protection even when exposed to steam, moisture and rock salt.

INSTA-MELT

Aerosol De-Icer

CASES

Insta-Melt immediately melts ice on windshields, leaves no residue and improves visibility to assure safe driving. Plus, it's harmless to car finishes. You can also use it on any other surface like locks, chains, handles, nuts, bolts even valves and equipment. Insta-Melt will get you quick and easy results, with little to no labor.

NO-STICK

Snow Plow Coating

5GAL, 55 DRUM & 275 TOTE

No-Stick wax coating actually repels ice and snow from sticking to the plow blades, making it easier to push and plow through the snow. A treated blade pushes more snow and consumes a lot less fuel. Simply spray, brush or roll No-Stick on the plow blades, or any other winter equipment. One application can last several days.

SALT BLOCKER

Winter Concrete Sealant

5GAL, 55 DRUM & 275 TOTE

Salt Blocker is effective in sealing the top layer of cement. Creating a protective inner seal to make a barrier to protect and shield cement from damage from chloride residues and spills. Salt Blocker is an alkali activated chemical penetrating concrete sealer unlike any other product on the market.

SURE START

Winter Fuel Conditioner

5GAL, 55 DRUM & 275 TOTE

Sure Start is a concentrated anti-gel fuel conditioner. Pour the disposable squeeze bottle into the fuel tank, and it will completely prevent wax crystals from forming in your fuel. It also reduces smoke, adds power, prevents rust and increases mileage.

W.D.C.

Windshield De-Icer

CASES

WDC is a 3-in-1 product because it removes ice, cleans the windshield and prevents fogging all day long. Dilute it up to 5:1 and use it in the reservoir tank of any vehicle. With this product, you'll dramatically improve visibility, making your drivers safer.

SALT REMOVER 1000

Salt Neutralizer

5GAL, 55 DRUM & 275 TOTE

Salt Remover 1000 is an industrial strength rinsing compound that was developed to remove the dulling, white-chalky residue left behind by ice-melting products. It neutralizes the corrosive film left behind without harming painted or finished surfaces.

METROPOLITAN
COMPOUNDS

SPECIALTY CLEANING AND DISINFECTANTS

SAFETY-SOLVE

Dielectric Non-Flammable Cleaner

5GAL, 55 DRUM & 275 TOTE

Safety-Solve is an all purpose cleaning degreaser that can be safely used in any electrical box or system. This amazing formula evaporates immediately after cleaning is complete. It's effective at eliminating dirt, grease and grim.

ORANGE-CLEAN

Hand Cleaner

CASES

Orange-Clean is a petroleum-free hand cleaner that uses the natural power of orange peel extracts to lift and remove the most stubborn dirt and grease. It's fortified with cocoa butter and lanolin, and even contains an antiseptic, just in case you cut your hand on the job. It leaves a pleasant orange scent.

E.T.C.

Acid Replacement Cleaner

5GAL, 55 DRUM & 275 TOTE

ETC is an acid replacement that will clean and erase stains on all surfaces such as concrete, porce terrazzo, copper, wood, aluminum, steel, brick, flagstone, even grout. ETC generates that heavy duty cleaning power of acid, yet it is as safe and mild as liquid dish soap. It's safe for your skin and 100% bio-degradable.

CLEANCIDE WIPES

Disinfectant Wipes

CASES

CleanCide Disinfectant Wipes are non-bleach, non-alcohol ready-to-use cleaning, deodorizing, and disinfectant wipes. They're ideal for use in schools, hospitals, nursing homes, public facilities, jails, bathrooms, locker rooms, apartments, and hotels. They're formulated with citric acid to disinfect hard, non-porous surfaces like counter tops, desktops, sinks, handles, and doorknobs. This product also deodorizes and cleans almost any surface. CleanCide Disinfectant Wipes have demonstrated themselves to be used as an effective bactericide, fungicide, mildew-cide, and virus-cide in the presence of organic soil.

CON-KLEAN

Concrete Cleaner & Stain Remover

5GAL, 55 DRUM & 275 TOTE

Con-Klean is a government strength cleaner and stain remover. It completely restores the look of your concrete by eliminating all grease, oil, dirt and even chewing gun. Con-Klean eliminates oil stains that may have been set in for years. Simply dilute it 30:1 with water, spray it on the stain, allow it to penetrate for 5 minutes and it lifts away the entire stain, which will be easily rinsed away. You will see that bright, just pressure washed look without all that labor.

75% ALCOHOL WIPES

Hand-Sanitizing Wipes

CASES

Our 75% Alcohol Hand-Sanitizing Wipes kill 99.9% of germs that may cause illness. They're durable, textured, and sanitize hands while wiping away light soils. They're ideal for use in schools, hospitals, nursing homes, public facilities, jails, bathrooms, locker rooms, apartments, hotels, and anywhere germs may be. The re-sealable tub allows for portability and convenient use anywhere especially in places where it may be difficult to wash with soap and water.

D-TOX WIPES

Decontamination Wipes

CASES

D-TOX Wipes are our top-of-the-line firefighting decontamination wipes. They easily wipe away contaminants that may contain harmful carcinogens, while killing 99.9% of all bacteria, viruses and blood-borne pathogens. They're also extremely safe and fortified with aloe and vitamin E, making them perfect for your skin and entire body, and even bunker gear.

DDDS ("TRIPLE-D S")

Concentrated Disinfectant

5 GAL, 55 DRUM & 275 TOTE

DDDS is a concentrated, hospital use cleaner, deodorizer, and disinfectant for use in schools, hospitals, nursing homes, public facilities, jails, bathrooms, locker rooms, apartments and hotels. It's formulated to disinfect hard, non-porous surfaces: floors, walls, counter tops, desktops, bathrooms, shower stalls, and bathtubs. A rinse with potable water is required for surfaces in direct contact with food. This product also deodorizes high-odor places like garbage storage areas, trash cans, dumpsters, and restrooms by killing order-causing micro-organisms and preventing the growth of mold and mildew. DDDS has demonstrated itself as an effective bactericide, fungicide, mildew-cide, and virus-cide in the presence of organic soil.

GERMCLEAN WIPES

Disinfecting and Sanitizing Wipes

CASES

GermClean disinfecting hand and surface wipes are non-bleach, ready-to-use cleaning and disinfecting wet wipes. They're ideal for use in schools, hospitals, nursing homes, public facilities, jails, bathrooms, locker rooms, apartments and hotels. They're formulated with Benzalconium Chloride to disinfect hard, non-porous surface like counter tops, desktops, sinks, handles and doorknobs. This product is one of the only surface disinfecting wipes on the market to also be approved for use on hands.

GUARDIAN

Ready-to-Use Disinfectant

CASES

The Guardian is a one-step cleaner and disinfectant for spray and wipe cleaning. Formulated to disinfect hard, non-porous, inanimate environmental surfaces such as: floors, walls, skin tops, ceramic tile bathrooms, shower stalls, bathtubs and cabinets. May also be used in kitchens for counter tops, appliances and stove tops.

MICROCIDE

Ready-to-Use Disinfectant

CASES

Micro-Cide is a universal non-acid ready-to-use cleaner, deodorizer, and disinfectant for use in schools, hospitals, nursing homes, public facilities, jails, bathrooms, shower stalls and bathtubs. A rinse with potable water is required for surfaces in direct contact with food. This product also deodorizes high-odor places like garbage storage areas, trash cans, dumpsters and restrooms by killing odor-causing micro-organisms and preventing the growth of mold and mildew. Micro-Cide has demonstrated itself as an effective bactericide, fungicide, mildewstat and virus-cide in the presence of organic soil.

TB QUAT

Concentrated Disinfectant

CASES

TB Quat is a universal non-acid ready-to-use cleaner, deodorizer and disinfectant for use in fogging machines or sprays in schools, hospitals, nursing homes, public facilities, jails, bathrooms, locker rooms, apartments, and hotels. It's formulated to disinfect hard, non-porous surfaces: floors, walls, counter tops, desktops, bathrooms, shower stalls and bathtubs. This product also deodorizes high-odor places like garbage storage areas, trash cans, dumpsters and restrooms by killing odor-causing micro-organisms and preventing the growth of mold and mildew. TB Quat has demonstrated itself as an effective bactericide, fungicide, mildewstat and virus-cide in the presence of organic soil.

MISCELLANEOUS PRODUCTS

FASTBALL TOWELS

Multi-Purpose Industrial Wipes

CASES

Fastball Towels are designed to tackle your toughest cleaning jobs. Quickly and easily removes dirt, grease and grime that other cleaning solutions can't. Inside, outside, on the job or on the go, grab a bucket of Fastball All-Purpose Wipes!

ABSORB-ALL

Liquid & Odor Absorbent Granular

CASES

Absorb-All is a super cherry absorbent granular that will suck and pull grease, oil or any liquid directly out of concrete floors. It absorbs up to 200 times its own size and weight, plus it absorbs any offensive odors and leaves behind a nice cherry scent. Once it pulls the spill or stain from the surface, you can simply sweep it up for a quick and easy clean up. It also soaks up all forms of moisture and odors like vomit and hazardous spills.

SLICKSTER

Multi Purpose Lubricant

CASES

Slickster penetrates quickly and deeply in cracks, threads and joints. It quickly loosens up rusted nuts and bolts, and seals out moisture to prevent future rust and corrosion. It's safe for all metal and electrical parts and components so you'll find hundreds of things to use it on.

RUST-OFF

Rust Repairing Converter

PAILS

Rust-Off is a heavy-duty rust converter. Just spray or brush it on any metal surface and it will neutralize the existing rust and leave you with a hard durable, protective barrier that seals out moisture and stops further rust. Rust-Off dries just as hard as the metal it adheres to. It's perfect for truck beds, dumpsters, bridge beams, equipment, tools and any metal area for that matter. Plus, you can easily paint over it in any color.

TOWELS AND WIPES

ABSORB-ALL

Absorbent Spill Pads

CASES

Absorb-All are multi-purpose, super absorbent spill pads. They're used indoors and outdoors in railway stations, engine shops or anywhere leaks and drips are a problem. The bottom layer grips the floor so it will not blow away, while the absorbent top stands up to constant wear and tear. Each pad is 18" x 18" and absorbs 25 times its weight. It can be perforated every 10 inches for quick wipe ups, plus it's 100% biodegradable.

75% ALCOHOL WIPES

Hand-Sanitizing Wipes

CASES

Our 75% Alcohol Hand-Sanitizing Wipes kill 99.9% of germs that may cause illness. They're durable, textured, and sanitize hands while wiping away light soils. They're ideal for use in schools, hospitals, nursing homes, public facilities, jails, bathrooms, locker rooms, apartments, hotels, and anywhere germs may be. The re-sealable tub allows for portability and convenient use anywhere especially in places where it may be difficult to wash with soap and water.

TURBO TOWELS

All-Purpose Shop Towels

CASES

Turbo Towels are not your normal shop towels: they're soft on one side, abrasive on the other and they are tough. They're pre-moistened with a degreaser that cuts through grease, oil, tar and ink, which gets absorbed into the towel so there's never any run-off issues. It's the quickest way to clean tools, parts and equipment and they're tough enough to clean your cement floors without falling apart. As powerful as they are, each wipe is fortified with natural skin softeners, making them 100% safe to clean your hands and arms with when you are in the middle of a dirty job.

WIPE-OUT

Insect Repellent Wipes

CASES

The easiest way to keep bug bites, infections and allergic outbreaks away from you and your crew is with our fantastic Wipe-Out insect repellent. Being a wipe it will not wind up in someone's eyes or mouth, plus you'll never have mist problems on windy days. One application provides all day protection. It's even enhanced with aloe to keep skin smooth and soft. You can even apply it to clothing if needed without the risk of any staining.

CLEANCIDE WIPES

Disinfectant Wipes

CASES

CleanCide Disinfectant Wipes are non-bleach, non-alcohol ready-to-use cleaning, deodorizing, and disinfectant wipes. They're ideal for use in schools, hospitals, nursing homes, public facilities, jails, bathrooms, locker rooms, apartments, and hotels. They're formulated with citric acid to disinfect hard, non-porous surfaces like counter tops, desktops, sinks, handles, and doorknobs. This product also deodorizes and cleans almost any surface. CleanCide Disinfectant Wipes have demonstrated themselves to be used as an effective bactericide, fungicide, mildew-cide, and virus-cide in the presence of organic soil.

D-TOX WIPES

Decontamination Wipes

CASES

D-TOX Wipes are our top-of-the-line firefighting decontamination wipes. They easily wipe away contaminants that may contain harmful carcinogens, while killing 99.9% of all bacteria, viruses and blood-borne pathogens. They're also extremely safe and fortified with aloe and vitamin E, making them perfect for your skin and entire body, and even bunker gear.

FASTBALL TOWELS

Multi-Purpose Industrial Wipes

CASES

Fastball Towels are designed to tackle your toughest cleaning jobs. Quickly and easily removes dirt, grease and grime that other cleaning solutions can't. Inside, outside, on the job or on the go, grab a bucket of Fastball All-Purpose Wipes!

GERMCLEAN WIPES

Disinfecting and Sanitizing Wipes

CASES

GermClean disinfecting hand and surface wipes are non-bleach, ready-to-use cleaning and disinfecting wet wipes. They're ideal for use in schools, hospitals, nursing homes, public facilities, jails, bathrooms, locker rooms, apartments and hotels. They're formulated with Benzalconium Chloride to disinfect hard, non-porous surface like counter tops, desktops, sinks, handles and doorknobs. This product is one of the only surface disinfecting wipes on the market to also be approved for use on hands.
