ONE STEP CLEAN & PROTECT

NEUTRALIZES CORROSIVE FILM  
LEFT BY ICE MELT CHEMICALS

REMOVES CHALKY WHITE RESIDUE

## CAUTION

Causes severe eye irritation.  
May be harmful if swallowed.  
See side panel for additional precautions.  
**KEEP OUT OF REACH OF CHILDREN**

REORDER FROM:

**Metropolitan Compounds**  
**3343 N University Drive**  
**Hollywood, FL 33024**  
**(855) 474-6781**

This industrial strength wash and wax has fortified with ice removing qualities. It cuts through the dulling, white chalky residue left by ice melting chemicals. Salt residue is chemically dissolved without harming sensitive painted or finished surfaces

## DIRECTIONS

For vehicle cleaning, use 1 to 3 ounces per gallon of water. Apply liberally with brush or sponge allowing the solution to act for several minutes. Rinse with clean water until suds are removed.

To remove heavy film from equipment: Dilute 6 ounces per gallon of rinse water. Spray liberally over the equipment surfaces and allow to act for several minutes. Rinse with clean water.

To eliminate corrosion left by ice melting residue, use 1 to 3 ounces per gallon of water. Apply using normal cleaning methods. Rinse with water to remove ice residue and dangerous chemicals.

**DO NOT MIX WITH OTHER PRODUCTS.**

## CAUTION

Causes severe eye irritation. Prolonged contact may cause destruction of eye tissue. Avoid contact with eyes. May be harmful if swallowed. Do not take internally. Prolonged or repeated exposure may cause skin irritation. Use with adequate ventilation. Store away from heat or open flame.

## FIRST AID

**IF IN EYES:** Flush eyes and under eyelids with water for at least 15 minutes. If discomfort persists see a physician.

**IF SWALLOWED:** Do not induce vomiting. Give several glasses of water followed with milk of magnesia. Call a physician immediately.

**IF ON SKIN:** Wash with soap and water. Remove contaminated clothing, and launder before reuse. If irritation is persistent, contact a physician.

**IF INHALED:** Remove person to fresh air. Call a physician if irritation persists.

*See M.S.D.S. for complete safety information.*

**KEEP OUT OF REACH OF CHILDREN**

**Handling & Storage:** Keep container tightly closed when not in use. Do not store in unmarked containers. Do not mix with any cleaning chemicals. Store container in cool, dry place. Keep away from alkaline material and reactive chemicals.
