

The diagram shows a cross-section of a roof structure. It features a gable roof with two sloping sides meeting at a central peak. The roof is outlined in red. Below the roof, there is a rectangular base, also outlined in red, which is wider than the roof's base. Inside this rectangular base, there is a smaller, horizontally-oriented rectangle outlined in green. The text 'Tak 3m 1' and '314 x 250 [mm]' is centered within the triangular roof area.

Tak 3m 1

314 x 250 [mm]

Tak 6m 1

620 x 250 [mm]

The diagram shows a cross-section of a roof structure. It features a gable roof with two sloping sides meeting at a central peak. Below the roof, there is a rectangular base. The entire structure is outlined in red, while the base is also outlined in green. The text 'Tak 3m 2' and '314 x 250 [mm]' is centered within the gable area.

Tak 3m 2

314 x 250 [mm]

The diagram shows a trapezoidal roof structure. The top edge is a horizontal line. The bottom edge consists of a long horizontal line with a thin green rectangular area inside it. The left and right sides are slanted lines connecting the top and bottom edges. The entire shape is outlined in red.
