## Heath for Health

Last Sunday saw the first Heath for Health that we've been able to hold live for two years - and what an event it was! With 500 registered runners from the school and beyond, our community came together to raise money for the school and its chosen charities - The British Red Cross Ukraine Appeal, and Children with Cancer UK.

Donations are still coming in, so please remember to submit your sponsorship money at the school office or online at [www.justgiving.com/campaign/Heath4Health](http://www.justgiving.com/campaign/Heath4Health)

We would like to say a huge thank you to all the volunteers who helped organise this event - we simply couldn't have done it without you.

## Amsterdam 2022 Bike Ride

Our team of intrepid cyclists pedalled all the way to Amsterdam earlier this month, raising in excess of £6,000 in sponsorship. The money they have raised will fund the expansion of the school library, purchasing new books, subscriptions and equipment.

We'd like to thank all the riders for their extraordinary efforts. There is still time to sponsor them at:
