Celebrate With Us

Fernie Distillers lies in the centre of a resilient community that has survived numerous disasters only to recover and prosper. We have designed our space with you in mind. It has been renovated to be a welcoming and comfortable space, unlike any other space in Fernie. Informal and yet refined at the same time, it is versatile and is available as a private event venue.

FERNIE DISTILLERS

EVENTS PACKAGE

OUR SPACE

Fernie Distillers is a small, intimate and unique wedding and event venue in downtown Fernie BC. Because of the size of the Tasting Room, we can accommodate groups of up to 50 people comfortably we can host a sit-down dinner or a more casual tapas standing style reception. There is a beautiful outside patio for sipping delicious cocktails, taking photos and space for you to set up some lawn games and other activities. You can also rent an outdoor event tent from Patti's Party Rentals <https://pattispartytentrental.com/>

They also supply low tables and chairs as well as table linens, napkins and chair covers.

The venue rental charge is \$1200. This allows us to remove all of our bottled spirits and retail merchandise so you can make the space your own. The space already has a nice décor so some small personal touches and flowers can go a long way for decorating!

We have a picnic policy which means you can bring in any type of food you would like to have for your special day, keep it simple and order Pizza or have your dinner fully catered by one of the great caterers in town. We recommend Fernie Catering Co. Barrie Elliott the Owner/Chef rents the kitchen in the back of our building so the ease of service is really great and makes for a seamless catering experience. She books up quickly so if you already have a date in mind try to reach out to her immediately! info@ferniecateringco.com or 250-531-0905.

OTHER

We use Spotify as our bar music in the Tasting Room so you could create a playlist and play it right through our speakers with no other equipment necessary for dancing and background music. There is a small stage area that could be used for a band if you did want to hire one, it can take away some of the space for guests to mingle but can be a nice touch to have live music.

There is a non-refundable 50% deposit required at the time of booking.
A standard gratuity of 18% will be added to the total invoice. Final guest numbers and menu selections are required 2 weeks before your function date.

We would love to host your wedding at Fernie Distillers, please reach out with any other questions you may have, you can reach us at tastingroom@ferniedistillers.com
