

MORTON & BASSETT SPICES®

Lavender Lemonade Vodka Cocktail

- 1 cup vodka of choice
- 1 ½ tablespoons Morton & Bassett Lavender
- 1 cup sugar
- 4 cups water
- 12 large lemons (10 for juicing, 2 for garnish)
- Ice

In a small saucepan on medium / low heat combine 1 cup water, sugar, and lavender. Stir until all of the sugar has dissolved into a simple syrup. Let cool and strain out the Lavender.

Juice 10 lemons and measure out a cup of lemon juice.

Combine the lemon juice, simple syrup, 3 cups water, and vodka into a pitcher. Stir to combine and add ice. Feel free to add a few pinches of loose Lavender to the mixture as well.

Slice the remaining two lemons into wheel slices. Garnish the drinking glass rims and add the remaining lemon slices to the pitcher.
