

MORTON & BASSETT SPICES®

Raspberry Almond Italian Sodas

- 1 cup fresh raspberries
- 1 cup granulated sugar
- 1 tablespoon Morton & Bassett Pure Almond Extract
- 1 cup water
- 1 cup milk of choice – we used coconut milk
- 2 cups club soda

In a small saucepan, add raspberries, almond extract, sugar, and water over medium high heat. Once boiling, cook for about 5 minutes, stirring often. Carefully strain out the raspberry bits to leave you with a raspberry almond syrup. Over glasses with ice, pour 2 tablespoons of raspberry almond syrup, then another 2 tablespoons of milk. Finish off with $\frac{1}{2}$ a cup of club soda till your glass is filled to the brim. Give a good stir, and top with whipped cream.
