

# WELCOME TO THE WORLD OF SMOOTH PAINTING!

**Thank you for your purchase of Zibra Paintbrushes.**

**Each brush is engineered and crafted with fine bristles, giving you even greater paint pick-up and release with a streak-free, smooth finish.**

## USE & CARE

### STEP 1

Using your clean hands, grab the filaments below the ferrule and gently pull to remove any loose filaments. It's not uncommon for every new brush to have a few loose filaments.

### STEP 2

After every use, clean brush using the appropriate cleaner for the paint you are using. We highly recommend using a brush comb to achieve the best results. Once cleaned, hang brush from a hook to dry then place back into the box for added protection.

**LET US KNOW IF YOU HAVE ANY QUESTIONS. ENJOY!**
