# Decor

When it comes to decorating the farm, the options are endless, and we love to see the different decor tastes of each wedding held at Maan Farms. For inspiration, check out @maanfarmsweddings on Instagram.

Decor set up time is different for 2 day package. Reception setup may begin at 10 am on the day the event. Additional set up time may be added upon availability. Ceremony set up may begin 90 minutes prior to the ceremony time, unless other arrangements have been made. For the weekend package where both events are being held at the farm, set up times differ.

## General Decor Guidelines

**Candles:** Real candles with flames are permitted as long as they are enclosed in a glass container. The container must come at least two inches higher than the top of the flame.

**Confetti:** Confetti is not permitted as it is difficult to clean up and poses a health hazard to our animals.

**Nails and Screws:** Nails, screws and other fixtures may not be attached to the roof or walls of either Barn. We have a number of existing hooks and anchor points that decor may be attached to.

**Linens:** Beautiful wood Harvest Tables are included in all packages and do not require linens. We provide black tablecloths on buffet tables and drink station.

**Dishes:** White dinner plates, silver utensils, and a mason jar style water glass are included. Water glasses will be set on the tables along with a jug of ice water. Plates and utensils will be set at the start of the buffet table.

**Farm Visit:** If additional visits to the farm are required after the wedding tour to take measurements, reference pictures, etc, or if a wedding planner or decorator would like to come by, this can be scheduled during the farms business hours.

**Floor Plans:** We have suggested floor plans available or custom layouts may be submitted.

# *Elegant & Fun*

## BARNYARD ADVENTURELAND

In addition to the wedding areas, guests have access to the Barnyard Adventureland. In the afternoon guests may want to visit the animals, stroll through the vineyard, or even take a ride on the zipline! The Barnyard also has a jumping pillow, playgrounds, and other fun activities.

The Barnyard Adventureland area is open to the public during the day, so keep in mind that a few families may be playing at the farm.
