

SCHARFFEN BERGER

CHOCOLATE MAKER

BLENDING AMERICA'S *ORIGINAL*
CRAFT CHOCOLATE. SINCE 1996.

BAKING WITH THE *BEST* MEANS BAKING WITH *SCHARFFEN BERGER*

Professional chefs swear by our dependable blend. It's why they keep choosing Scharffen Berger again and again. Our chocolate melts beautifully in every creation. And when it comes to baking, shape matters. We intentionally produce chocolate chunks, instead of chips. Our chunks deliver more pooling in cookies and brownies, for more chocolate in every single bite.

OUR STORY: IGNITING A CRAFT MOVEMENT

Founded in 1996 by winemaker John Scharffenberger and fine food enthusiast Robert Steinberg, SCHARFFEN BERGER pioneered the farm-to-bar chocolate movement, employing a craft process that is still in place today. The founders perfected a unique blend that highlighted the true flavor of cacao instead of masking it with sugar and other additives. The result is an array of truly distinctive chocolates with balance and complexity normally reserved for exceptional wines.
