MC525RL-CC CREDIT ONLY

MC535RL-CC CREDIT & CASH

Give your customers the convenience of Credit Card Use!

Standard Change-Makers introduces the **NEW** Modular Series Credit Card-to-Tokens Change Machines. Now you can offer the convenience of credit cards to your customers with these versatile and secure changers. Using our Modular Series *Smart Hopper* technology, we have designed these machines to be user-friendly, secure and reliable to help you increase the revenues in your self-service business.

Each machine features a dial-up POS Terminal, programmable push button selections, EF+ Module for programming changes and audit feedback and an LCD screen to help customers during the tranaction process.

MODULAR CREDIT CARD SERIES FEATURES:

Card Reader: Weatherproof Mag stripe reader

POS Terminal Device: Datacap Systems' DialTran™ Dial-Up Terminal

EF+ Module - with Remote Notification Feature

LCD Screen provides instructions and feedback

Bill Acceptor(s): Coinco Vantage (default) - $1-$20 Bill Acceptance
  (MEI ® also available - *MC535RL-CC Only*)

Hopper(s): Galvanized Steel construction with Tilting Base for easy hopper dump operation, without disconnecting power
