

# ACME SMOKED FISH

## SALMON | WHITEFISH | EEL | TROUT

- NATURALLY SMOKED
- FRESHEST RAW MATERIAL
- SALT CURED
- CERTIFIED KOSHER

Step into the rich history of Acme Smoked Fish Company, a fourth-generation, family-owned seafood company rooted in the heart of Brooklyn, New York. For over a century, we have remained steadfast in our commitment to delivering the highest quality seafood specialties, crafted with passion and expertise that has been passed down through the generations.

From our humble beginnings, Acme has continuously expanded its offerings to include an array of delectable seafood delicacies. Our commitment to quality starts with responsible sourcing practices, ensuring that our raw materials are obtained in a manner that contributes to the long-term health and sustainability of our precious ocean and lake ecosystems. Each step of our production process adheres to the highest standards, guaranteeing that only the finest seafood reaches your plate.

Acme Smoked Fish Company, where passion, tradition, and sustainability intersect.
