

FREMANTLE

PREMIUM OCTOPUS TENTACLES

- NATURALLY TENDERIZED
- HAND-GRADED
- SNAP-FREEZING PROCESS
- SUSTAINABLY WILD-CAUGHT

Fremantle Octopus stands as the foremost company in Australia dedicated to octopus fishing, processing, distribution, and export. Their commitment to producing the world's finest octopus is rooted in the pristine, crystal-clear waters along the Western Australia coastline.

Since their establishment in the year 2000, Fremantle Octopus has cultivated an environment that never ceases to innovate, evolve, and challenge itself to consistently surpass expectations. Fremantle Octopus is unwavering in their dedication to upholding the highest sustainability standards, a commitment underscored by our attainment of MSC (Marine Stewardship Council) accreditation in 2019.
