

3M™ 6200 M / 6300 L

3M™ reusable half face mask respirator-head harness cradle suspension for comfortable fit. Lightweight elastomeric material for comfort during long periods of work. Low profile design for maximum field of view. Twin filter design provides lower breathing resistance. Bayonet connection fitting system to a broad range of filters to protect against gases, vapours & particulates.

Style : 3M™ 6200 M / 6300 L

Brand : 3M

Mfr. : 3M

Features: This series combines comfort and convenience. Comfortable soft, lightweight facepiece with easy-to-adjust head straps. NIOSH approved for negative pressure air purifying and supplied air dual airline applications. It can be disassembled, cleaned and reused. Replaceable cartridges and filters allow reuse of facepiece for cost savings.

Applications: Construction, design & construction, general manufacturing, heavy infrastructure, industrial maintenance, marine, mining, oil & gas and transportation.

Certification: NIOSH / EN 140:1998
