

3M™ 6800

3M™ reusable full face mask respirator-provides filtering protection against particulates, gases & vapours present in many industrial applications. Bayonet connection fitting system to a broad range of filters. Soft, non-allergenic elastomeric facepiece. Extremely lightweight for high comfort. Full face lens with broad field of vision. Scratch resistant, well balanced four strap head suspension.

Style : 3M™ 6800

Brand : 3M

Mfr. : 3M

Features: Large lens provides a wide field of view for excellent visibility. Lightweight well-balanced design & silicone face seal for enhanced comfort, durability & ease of cleaning. Available in air-purifying & supplied air respirator modes. Center adapter directs exhaled breath downward. 3M cool flow™ valve makes breathing easier to provide cool, dry comfort.

Applications: Construction, design & construction, food and beverage manufacturing, general manufacturing and heavy industrial.

Certification: NIOSH / EN 140:1998
