MADE FROM RECYCLED PLASTIC BOTTLES

We're excited to let you know that we've switched our production from Polyester to Recycled Polyester (also known as rPET).

The fabric looks and feels the same, but it is better for the planet. It diverts plastic from landfill and the production of recycled polyester requires fewer resources than that of newer fibres and generates fewer emissions

LUNCH BAG

RPET recycled fabric. Adjustable shoulder strap. Insulated lining. Side mesh bottle holder. Name label. BPA Free, Phthalate free. 21.5 x 24.5 x 6cm. *non RPET fabric
