

EUROPEAN CLOTHING HANGERS WHOLESALE CATALOG 2024

MAWA makes the

DIFFERENCE

"I WANT TO PRESERVE THIS WORLD. NOT ONLY FOR MY CHILDREN. BUT FOR EVERYONE!"

Michaela Schenk

Owner MAWA GmbH, mother, idealist

From Bavaria

INTO THE WORLD

- → Since 1948 we have been producing clothes hangers as branded goods "Made in Germany" for our customers worldwide.
- → We offer sophisticated solutions, perfectly tailored to the needs and wishes of our customers.
- → MAWA brings innovations for metal and wooden clothes hangers as well as sustainable upcycling materials to the market.
- → We deliver to over 87 countries worldwide. Our export share is more than 80 %.

RESTON LLOYD

Reston Lloyd is the exclusive partner and distributor for MAWA for the United States since 2016.

Rita Bolle, owner and founder of Reston Lloyd has been in business for over 50 years.

These two great women leaders join in partnership as leaders in their field and are both women-own and operated.

DEUTSCHE STANDARDS MARKEN DES JAHRHUNDERTS

MAWA

BRAND OF THE CENTURY

The renowned jury of the "German Standards - Brands of the Century" awarded MAWA 2022 as Brand of the Century.

An accolade on the way from the long-established German company to the international innovation leader in the industry.

"We are proud and delighted that MAWA has received this brand seal and is now counted among the icons of the German economy. We have shown that normal everyday objects such as clothes hangers can also become real brands."

Michaela Schenk, Owner & CEO

Made in Germany

MAWA hangers are the result of decades of development work and numerously patented innovations. You may rely on MAWA quality at any time.

Agenda 2030

MAWA supports the Sustainable Development Goals.

ECO friendly

We are aware of our responsibility towards the environment and society at every single stage of production and are fully committed to sustainable production.

SKIN friendly

Substances hazardous to health should not come into contact with clothing or skin. MAWA hangers therefore contain no heavy metals, no formaldehyde and no plasticizers such as phthalates.

From spectacular to innovative

- Made in Germany
- up to 50% space saving
- with anti-slip effect
- Rotating hooks and patented clips
- High stability and retention force
- made of German steel
- → free from harmful substances*

*low-pollutant, tested by TÜV Rheinland

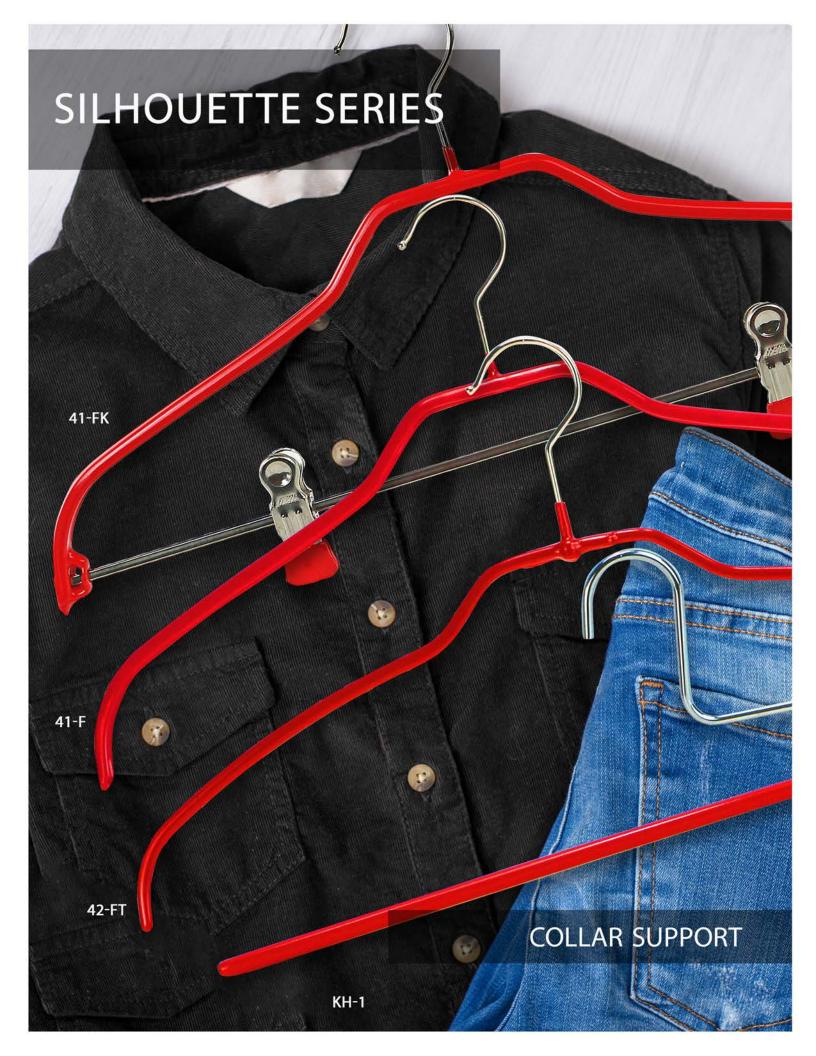

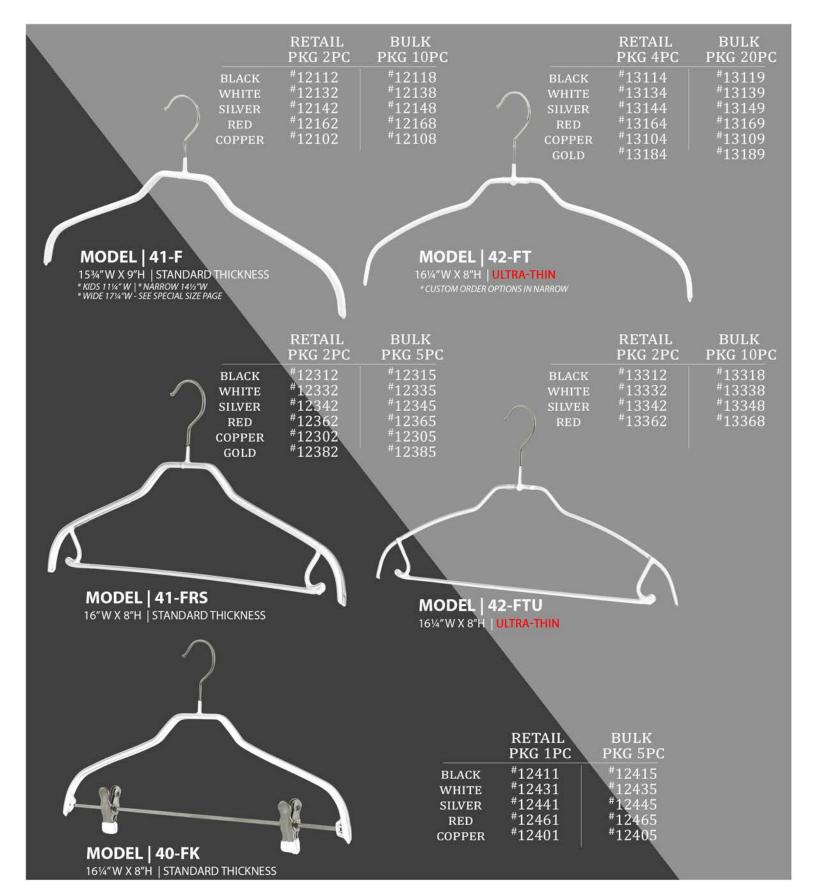

The mark of responsible forestry

Classic and design object

- solid wood, beech wood
- with particularly smooth surface
- Stable fully rotatable hook
- Trouser bar with anti-slip sheathing
- → all wood hangers 100% FSC certified
- Lacquering and staining with environmentally friendly water-based paints
- Made in Europe

- We supply the right organisation system for every closet, every store and every hotel.
- Our quality is reliable.
- → Our hangers can be reordered.
- Best function in form and width.
- → We are a leading international brand manufacturer.
- We create innovations with new colours, materials and designs.
- We stand for sustainable production and compatible materia materials for our hangers made of metal, wood and ECO materials.

Closet Secrets - MAWA Edition - gives you the resources to transform your closet or dressing room into a source of what the author calls "visual peace". The book will help you create a place where functionality, design and personal style all meet. The correct hanging of your clothing is more vital than many people think. From space-saving effects, to avoiding shoulder bulges or completely deformed clothing, the correct hanger for every type of clothing is just as important as the structure that holds it.
