NEW FOR 2024

Oceania Puzzle

For the first time in 9 years, we're thrilled to announce a brand-new flagship GeoPuzzle! Our Oceania puzzle covers a wide swath from southeast Asia to Australia and New Zealand, and even many Pacific island clusters. Printed on premium linen stock, GeoPuzzle Oceania will have approximately 60 pieces in the shapes of countries and island groups. Customers learn the names and shapes of countries throughout Oceania, as well as their location on a map. Case pack = 6 units.

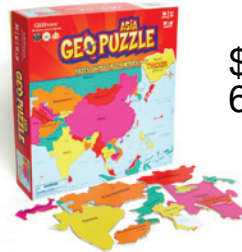

GEOPUZZLES

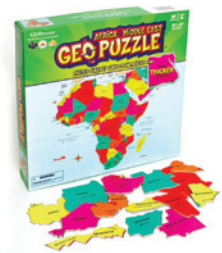

From Afghanistan and Belgium to Venezuela and Zimbabwe, multiple award-winning GEOPUZZLES® make learning geography fun! GEOPUZZLES® have pieces shaped like individual countries, states, and provinces. Each GEOPUZZLE® helps build fine motor, cognitive, language, and problem solving skills. Ages 4 and up. Mix and match, case pack = 6 pieces.

BOARD GAMES & CARD GAMES

GEOBINGO™ is a new twist on a classic game and a new way to make geography fun! The goal of GEOBINGO™ is to get five countries or states in a row on one of the eight GEOBINGO™ Boards. Fifty country or state cards show capitals, area, population, and geographic location. Ages 4 and up. Mix and match, case pack = 6 pieces.

GEOCARDS™ are five card games in one that make geography fun! Fifty jumbo-sized cards have countries or states on one side and capitals on the other, along with population and land area. Instructions are included for five original, easy-to-learn games for 1-4 players. Ages 4 and up. Mix and match, case pack= 12 and 24 pieces.
