Glow In The Dark Star Map

Dreaming of the stars? During the day our unique star map makes a fabulous piece of wall art that will fascinate any age. However, when darkness falls, the Star Map truly comes to life. All the stars and constellation patterns glow, bringing the night sky right into the room. Perfect for the young (and older) star gazers in your life.

33" h x 23" w

MI03, 9781904892571

\$20.00 Cdn. each, 12 per case

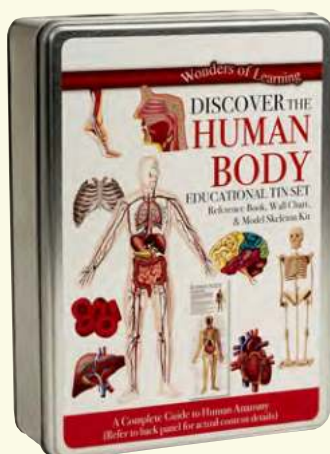

Glow in the Dark maps now come in a 2" X 2" x 25" box.

Free 12 count floor display available when ordering 12 or more MI03
Glow in the Dark Star Maps and requesting DISSMALL12 on your order.

Wonders of Learning

- Fun ways to discover and explore the world around us
- Each tin contains:
 - 32 page reference book and an educational wall chart
 - Accessory kit to build and experiment
- Each tin is 9”h x 6.5”w x 2.25”d

Tins \$17.50 each, 12 per case

Human Body

32 page book contains information on brain, bones, senses, muscles, etc with colorful pictures. Build a balsa wood model of the human skeleton approximately 9” tall. 23” x 34” colorful poster of the human body

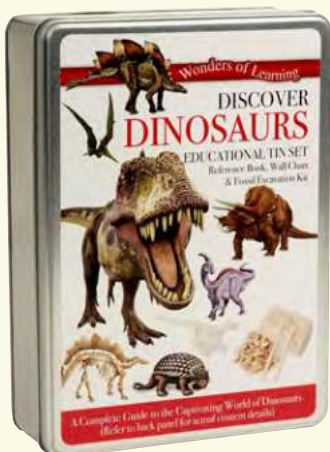

TS01, 9781783739707

Bugs

32 page book contains pictures and interesting facts about many kinds of bugs. Activity has a balsa wood spider model, 2 petri dishes, a net, tweezers, and a magnifying glass. 23” x 34” colorful poster of bugs with a fascinating fact written about each one.

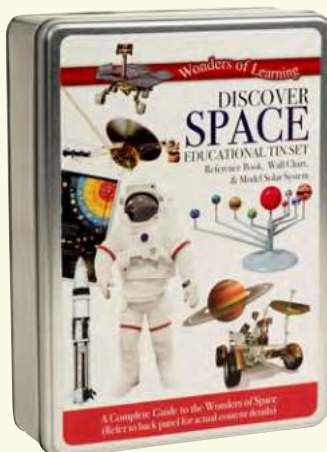

TS02, 9781783739714

Dinosaurs

32 page book contains fascinating information and pictures of dinosaurs. Fossil excavation kit includes an earthen block, digging tool and brush. Fossils can then be cleaned and assembled using glue. 23” x 34” colorful poster of dinosaurs including weights and lengths.

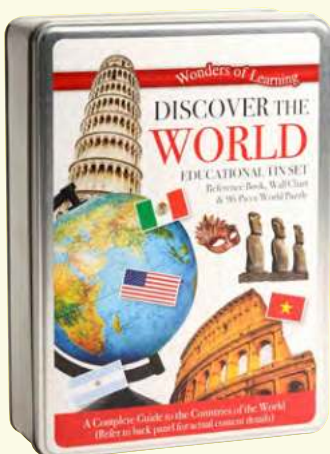

TS03, 9781783739721

Space

32 page book has colorful pictures and information on stars, solar system, space shuttles, and the future. Build a model solar system by snapping pieces together and forming the planets according to their distance from the Sun. 23” x 34” colorful poster of our Universe.

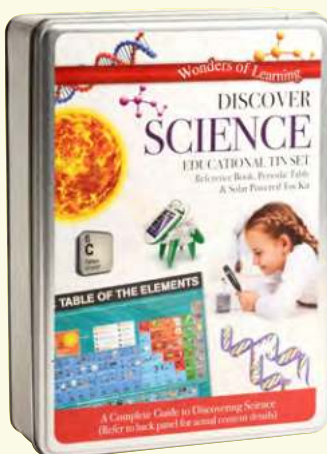

TS04, 9781783739738

World

32 page book contains information and fun facts about each continent. Build a 96 piece World puzzle that measures 19” x 10”. Includes 23” x 34” World poster with country flags.

TS05, 9781786904829

Science

32 page book contains information and color pictures about matter, energy, force, electricity, plants, etc. Build 6 different solar powered toys with interchangeable pieces from the model kit. 23” x 34” color poster of the Periodic Table with images of everyday things that contain the elements.

TS06, 9781786903624

\$17.50 Cdn. each, 12 per case
