

TOLEDO®

Protect what you value most!

TOLEDO & CO. is an international company founded in 2003 that exports security products such as locks, padlocks, and hardware for residence and commercial spaces to different chain stores and hardware stores. Having more than 50,000 square feet of storage space and still growing. Our distribution centers are located in Puerto Rico, Panama, Dominican Republic, Miami-FL and Boston-MA. We are present in more than 40 countries in the Caribbean, Central America, South America and the United States.

VISION

To be distinguished world-wide as a strong and a leading brand in security products of high quality and innovation at fair prices.

MISSION

To add an organizational culture without territorial limits, delivering our promise of authentic excellence. We want to stay at the forefront of technology in our process and products. We also cultivate a close relationship with our clients to ensure 100% satisfaction and harvest the achievement of our objectives.

VALUES

- Commitment
- Quality and service excellence
- Personalized service and close customer relationships

Toledo & Co. is recognized within the industry for delivering on its promises, having personal contact with clients, and providing fair prices.

MOTTO

Protection in steel and bronze. Our guarantee: A lifetime warranty.

TVSK01

DVR Specifications:

- 6 in 1 hybrid 8CH 1080N AHD DVR.
- Embedded linux operation system.
- Standard H.264+ video compression format.
- Support AHD/TVI/CVI/CVBS/IP/XVR, multi-model video input adaptable.
- Multi-channel recording&playback.
- Support HDMI/ VGA video output.
- 4CH audio input, 1CH output, two way audio talkback.
- One RS-485 port, support multi PTZ protocols.
- With RJ45 Ethernet port, 10M/100M self-adaptive.
- Motion detection, email alert.
- Iphone/ Android multichannels remote view.
- Compatible with CMS, VMS, web browser viewing.
- 1*SATA, up to 8TB HDD.
- Power input: DC 12V, 2A.

Camera Specifications:

- FHD home security CCTV 1080P AHD camera.
- Full HD 2.0MP quality picture, 1920*1080P@25fps.
- Standard H.264+ video format.
- High performance Model# FH-V30E processor.
- 1/2.9" color CMOS sensor IMX323(SONY).
- HD 2.0MP 3.6mm fixed lens.
- Smart IR filter, day & night auto switching.
- Color 0.1Lux@F1.2, black/white 0.01Lux@F1.2.
- High-performance array leds, night vision up to 20M.
- Waterproof, outdoor/ indoor use.

A modern living room is visible through an open wooden door. The room features a grey sofa with several colorful pillows (green, yellow, and patterned). In the background, there is a dining area with a wooden table and chairs, and a kitchen area with a wooden cabinet. The door is made of dark wood and has a black handle and lock mechanism. The text "Solid Stainless Steel" is overlaid on the bottom left of the image.
