CANNANews #1

Hello and welcome to CANNANews—the new e-newsletter from CANNA Australia and New Zealand keeping you up to date on the very latest in the world of gardening. We'll be providing handy tips to keep your plants in tip-top shape, highlighting what's new in our range of high-quality plant fertilisers and substrates, and keeping you in the loop on everything CANNA!

We hope you enjoy this edition – let us know if you have a gardening question you'd like us to answer, or a product you'd like more info on, and we'll spotlight it in the next issue. You can find us in the questions section at www.canna.co.nz!

And, as ever, happy gardening!

New and improved CANNA RHIZOTONIC hits the shelves

Exciting news for plant enthusiasts and growers—after years of development, CANNA RHIZOTONIC has a new formula!

While it's still the powerful, algae based, 100% natural vegetative stimulator for plant roots you know and love, our new formula now has a shelf life of two years, so you'll have plenty of time to use it. But that's not all—you'll also notice some other differences. The formula is now darker in colour, has a
