WHY CARS HAVE BEEN CLEANED THE SAME WAY FOR THE LAST 50 YEARS REMAINS PUZZLING TO ME, AFTER ALL YOUR CAR'S PAINT IS LIKE SKIN. IT HAS PORES LIKE SKIN. IT BREATHES LIKE SKIN. IT NEEDS TO BE FED LIKE SKIN. THE AMMO APPROACH ISN'T TO TEAR DOWN, IT IS TO BUILD UP. AMMO IS ABOUT LAYERS. LAYERS OF PROTECTION. AMMO NYC IS THE FIRST COMPLETELY FUSSY CAR CARE COMPANY. LEARN TO PAMPER YOUR CAR AS YOU WOULD ANY THOROUGHbred THAT'S RIDDEN TO THE EDGE OF COMBUSTION. – LARRY KOSILLA

AMMO OBEY is a no-drip, no-streak glass, tint, gauge-cluster, and e-screen cleaner. It's the first glass cleaner that obeys and won't run or drip behind e-screens and glass surfaces, potentially damaging internal components. It's safe, non-toxic, eco-friendly, and minimizes finger prints on most touch screens and consoles. Made for late night cruises down the boulevard. Neon lights reflecting in her eyes. The smell of gasoline bringing back memories. Old friends long gone. Stop. Red light. Bring the revs up. Sound echoing through the concrete canyon. Off the brakes and go. Leave the past behind. **AMMO OBEY** is about "the drive." It's made for people who care about the way their car looks, as much as its performance. For a feast of information and helpful videos go to ammoney.com.

DIRECTIONS 1. Mist OBEY 5 to 6 inches away from surface. 2. Wipe product away with microfiber towel (e-screen) or use a scrub pad and squeegee (on glass only) if needed. OBEY will evaporate quickly, leaving behind a clean, streak-free surface. Can be used on center console touch controls to remove fingerprints. Works on computer, TV, tablet, and smart phone screens. Also use on glasses, glass tables, bathroom mirrors, interior and exterior windshields, sunroofs and rear view mirrors.

Avoid breathing dust/fume/gas/mist/ vapors/spray. Wear protective gloves/eye protection/face protection. Wash hands thoroughly after handling. IF IN EYES: Flush with a large quantity of fresh water for at least 15 minutes. If irritation persists, consult a physician. IF ON SKIN: Flush from skin and clothing with large amounts of fresh water. If irritation persists, consult physician. Wash contaminated clothing before wearing. Do not freeze. Dispose of contents/container in accordance with local/regional/national/international regulations. For chemical emergency response center, contact 800.535.5053.
