REFLEX PRO II ENAMEL COAT

DRIVE+
PROTECT®

KEEP IT CLEAN®
30 mL

REFLEX PRO II ENAMEL COAT is a new formula that provides the same protection and durability as original REFLEX PRO, now enhanced with super slick hydrophobic properties. It goes on smooth for easy application and will enhance your paint's color and clarity for 1-2 years.

1. Wear latex gloves, eye protection, mask, and work in a well-ventilated area.
2. Prior to first coat, wash and clay paint if needed.
3. Use isopropyl alcohol mixed 50-50 with water or an automotive grade wax and silicone remover to decontaminate surface. This can be layered over prior applications of REFLEX.
4. Prime microfiber applicator and apply in overlapping motions in 2 x 2 sections.
5. Allow 2-3 minutes dwell time until cured. Add 1 minute for each 10-degree drop in temperature.
6. Lightly remove excess with a microfiber towel.

NOTE: Best if applied on cool surfaces, out of direct wind, and no water for 6 hours after application. One bottle per car should be used.

WARNING: Harmful if swallowed. Causes skin irritation. Causes serious eye irritation. Wash hands thoroughly after handling. Do not eat, drink or smoke when using this product. Keep away from flames/hot surfaces. In case of fire: Use dry sand, dry chemical or alcohol-resistant foam to extinguish. Wear protective gloves/protective clothing / eye protection / face protection. IF SWALLOWED: call a POISON CENTER or doctor / physician if you feel unwell. IF ON SKIN: wash with plenty of water. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses if present and easy to do—continue rinsing. If eye irritation persists get medical advice / attention. Always use as directed. Do not freeze. Dispose of contents / container in accordance with local / regional / national / international regulations. For chemical emergency response center, contact 800.535.5053.
