

# Virtual PEER HELPERS JUBILEE

Middle & High School Days:  
January 13<sup>th</sup> & 14<sup>th</sup>, 2021

Elementary School Days:  
January 25<sup>th</sup> & 26<sup>th</sup>, 2021

---

Peer Helpers Coordinators,

Your program has been provided a specific schedule for Peer Helpers Jubilee. Please locate your programs agenda in the following pages. We encourage you to make the most of this day! Parts of the Jubilee will be done utilizing ZOOM. Coordinators are to use their computers to log in and place the computer/ camera towards the students. Please hook your computer to your TV or smart board so your Peer Helpers can better see those speaking. Reggie Dabbs will be streaming live with each group to share, encourage and inspire your students. Also, we ask you to “Stay Connected” through group online discussions which are replacing our in-person networking time.

As we focused this fall on *Just Keep Swimmin’*, we are going to welcome 2021 with positive vibes! Please select a positive/upbeat song and have your Peer Helpers make a silly video during your Jubilee day and share it with us. It does not have to be planned or rehearsed... just smiles and a little bit of fun! We encourage you to have your Peer Helpers wear their Peer Helper shirts for their video and a group picture. If at all possible, have someone else take the picture so you, our Coordinators, can be in the picture as well.

On your Jubilee day, think of it as an on-campus field trip. You can order lunch for your Peer Helpers. During unscheduled time, please use that time for what you feel like your independent program needs to focus on which may include Peer Helper skill development, working on positive school campaigns, or efforts to prepare for individual student support needs.

Please let us know if you have any questions at all. We look forward to a Jubilee filled with inspiration, fun and (you guessed it) *Positive Vibes Only!*

Allison & Megan

# SPEAKER

**Reggie Dabbs** - *YOU CAN NEVER CHANGE YOUR PAST, BUT YOU CAN CHANGE YOUR FUTURE!*

Born to an unwed teenager, Reggie Dabbs considers himself fortunate to be alive. With no place to go, the pregnant teenager ended up living in a chicken coop in Tennessee. It was there she remembered a former schoolteacher, Mrs. Dabbs, who had said to her students, “If you ever need anything, call me,” and gave the students her home phone number. The girl called.

Mrs. Dabbs and her husband, whose six children were adults by this time, took the girl into their home and cared for her until after the baby was born. They continued to care for little Reggie as foster parents until he was in the fourth grade, and then they officially adopted him and gave him the Dabbs name.

As the Dabbs’ reared Reggie, they instilled in him strong moral values, for which he is genuinely grateful. They also ingrained in him the fact that in every situation he faced, he had a choice. What he did with those choices was entirely up to him.

In the sixth grade, Reggie began playing the saxophone and hated it. At the insistence of his parents he continued to practice and to play. Not until his freshman year in college did he actually enjoy the instrument, and today, he plays with fervor and expertise. After graduating from college, Reggie began his public speaking. During one speaking engagement, his host asked if he would be interested in addressing a high school assembly. From that small beginning in 1987, Reggie has become a popular public-school speaker.

From being a “Problem” to an unwed teenager, Reggie is fast becoming one of the most in-demand speakers who helps teenagers meet their problems head-on and overcome them. Reggie makes his home in Ft. Myers, Florida with his wife Michele and their son Dominic.

# STAYING CONNECTED

Even though we are not able to segment out in little groups and network, we can still take time to connect! This 30 minute discussion will be done using the same ZOOM link provided to your group. You can select 3-4 Peer Helpers for each item below to get closer to your computer to hold a discussion with the selected other Peer Helpers from the other school(s). After that discussion topic, you can then rotate. Ask the other Peer Helpers in the room to remain quiet as they observe and show respect to those Peer Helpers participating. Please know you do not have to use all of these questions as you may want to spend your time solely on one or two. Feel free to expand on these questions and go where the conversation takes you. We do ask for you to make some notes of the conversations so you can share them in the post event survey.

**Here are the suggested questions/topics to start your discussions:**

## **1) JUBILEE SPEAKER:**

What was the most valuable thing to do in which Reggie shared or said today?  
How do you plan on using it in your life?

## **2) QUARANTINE & COVID:**

How has COVID negatively impacted you and/or others?  
How has COVID positively impacted you and/or others?

## **3) SUPPORTING OTHERS:**

Do you feel like there is more value in small or big acts of kindness/support?  
How many people are reached by small acts and big acts?

## **4) SELF-TALK & THE IMPACT:**

How does your "self-talk" impact... your thoughts? your emotions? your actions?  
What are three things you believe you need to hear each day?  
Must those things be said to you by others or could you say them to yourself?
