Goldfinger + **Tate dining table**

With contemporary, chunky silhouettes and softly rounded edges, this dining table is the perfect centrepiece for a modern space.

Made from solid British ash sourced from local trees felled to control the spread of ash dieback, each table features the GPS coordinates of where the trees once stood. Collaboratively designed by Goldfinger, Tate and Holland Harvey Architects for Corner at Tate Modern.

DIMENSIONS

Goldfinger + Tate stool

With its modern profile, chunky legs and slim seat, this stool creates a distinctive silhouette. The versatile design works well with our Goldfinger + Tate dining table or as a standalone accent piece.

Crafted from solid British ash sourced from local trees felled to control the spread of ash dieback, each stool features the GPS coordinates where the trees once stood. Collaboratively designed by Goldfinger, Tate and Holland Harvey Architects for Corner at Tate Modern.
