Stainless Steel

Handmade Undermount Kitchen Sinks

Premium 16-gauge, T-304 stainless steel

25-37% thicker than most standard kitchen sinks

The widest rubber padding coverage in the market

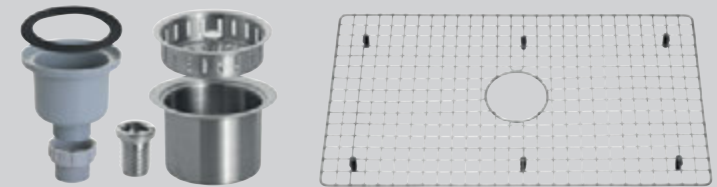

Under coating features sound dampening system with extra-thick padding on all sides for superior noise reduction

Equipped with drain grooves that direct water and ensure the most efficient drainage

Zero radius corners

INCLUDED ACCESSORIES

Each accessory is thoughtfully packed in individual boxes to reduce the risk of components scratching the sink and ensure that the product is received by the customer in the same way that it left the factory.

Available in **18x16x8”/24x18x9”/30x18x9”**
