

EXPOSED IN THE OPEN WORKPLACE?

Find shelter with a Team.

The Team Carrel is a refined and functional desktop shelter optimized for high-density benching and shared table setups. Lightweight and reversible, it's a great solution for open plan offices and smaller workstations, creating a renewed sense of personal space without sacrificing elegant design.

KEY FEATURES

Store Flat

No Holes
Needed

Reversible

*Shown in Slate Fiberboard/Pebble Forbo

SOPHISTICATED SIMPLICITY

Team Carrels feature a one-piece design with innovative living hinges, and are provided with an installer-friendly location template, making tool-free setup a snap. Available in a suite of luxurious finishes, including dual-material versions that can be quickly reversed for a new look, there's a Team Carrel to compliment any workplace.
