

DISPOSABLE GLOVES BOX

The Safe, Efficient
Way to Recycle
Disposable Gloves

The EasyPak™ Disposable Gloves Box is 14" x 14" x 24", allowing your organization to recycle a large quantity of nitrile, vinyl, and plastic gloves.

FOUR EASY STEPS

1. Order

Your company orders EasyPak containers via our website or through your TerraCycle account manager.

2. Collect

Appropriate personnel collects the waste and places them in the designated containers.

3. Ship

When the container is full, personnel seals the box and ships it to TerraCycle for recycling.

4. Recycle

When TerraCycle receives the containers, the contents are recycled into new formats. A certificate of recycling will be created for your records.

BENEFITS

Sustainability

Keep a rapidly growing waste stream out of landfills and in the supply chain.

Safety

Clearly marked and easily resealable to reduce unnecessary exposure.

Ease of Use

Simply fill the box, seal, and return with the prepaid shipping label via UPS.

Nationwide Recycling Program

Order and return from anywhere in the continental United States.

Exclusive Online Features

Optional auto-reorders, container tracking, and recycling certificates available at [tcrwusa.com](https://www.tcrwusa.com)

For the recycling of latex, nitrile vinyl and plastic gloves. One price includes everything you need: the UN certified container, shipping to the recycling center, recycling fees, and Certificates of Recycling. DO NOT SEND in FABRICS or items that may be considered HAZARDOUS WASTE. These include items such as lithium ion batteries, pressurized canisters, pesticides, oil-based paint or medical sharps, organics, broken glass, biomedical waste, soiled diapers, or expired medication. Do not send in anything sharp, flammable, reactive, corrosive, ignitable, radioactive, toxic, infectious, or pathogenic. Do not send in natural fabrics such as cotton gloves or masks.
