

# LAMP RECYCLING BOX

The Safe, Efficient  
Way to Recycle  
Spent Lamps

## FEATURES

- Various box sizes accommodate virtually any size or shape of lamp.
- VaporShield® boxes are specifically treated to contain the release of mercury while eliminating the need for the bag inside of the box.
- Pre-paid shipping label for easy returns.
- Made in the USA.
- Certificate of Recycling.

## BENEFITS

### Eliminate Storage Hassles

Safely store spent lamps until ready to recycle.

### Easy-To-Use Program

Simply pack and ship.

### Cut Costs

Low fee covers every aspect of recycling.

### Nationwide Recycling Program

Full containers can ship from anywhere in continental US.

### Exclusive Online Features

Optional auto-reorders, container tracking, and recycling certification available at [tcrwusa.com](http://tcrwusa.com)
