

# EASY PAK SOLUTIONS FOR PPE

VaporShield boxes enable you to safely recycle disposable PPE such as glove and masks.

These return-by-UPS EasyPak recycling containers protect employees and visitors from unnecessary exposure.

**Sustainability:** Keep a rapidly growing waste stream out of landfills

**Safety:** Established and clearly marked containers for used disposable masks and gloves

**Easy-to-Use:** Simply fill the box, seal, and return with the prepaid shipping label via UPS

**Nationwide:** Order and return from anywhere in the Continental US

*All prices include the EasyPak container, return shipping and recycling. Place your order with a credit card, PO or by using the hyperlinks under the container images.*
