

Offering a modern take on the classic Chequer, the limestone combination features Miele Dubuisson – a large-grain limestone featuring soft, golden undertones alongside Paris Grey – a warm, lighter grey limestone, available in a tumbled finish.

The combination is well suited for both interior and exterior applications, including pool decking.

Images shown are for illustration purposes only, actual product can vary.

Venetian Limestone Miele & Paris Grey

LIMESTONE CHEQUER

Specification Data	
Sizes	Thickness
18" x 18"	1/2"

Visual Characteristics
