

SIDES: Honey-Glazed Rosemary Baked Camembert

Instructions

- Preheat oven to 200c/180c fan/gas 6.
- Remove the box lid from the cheese box.
- Your cheese has been prepared, just drizzle the honey over the camembert and put on a tray in the middle of your oven for 15mins until it is caramelized slightly.
- Remove the packaging from your bread, warm it in the oven for 5mins.
- Slice your bread, and serve alongside your camembert.
- Serve & enjoy!
