## **READY TO WEAR**

Kayseria's Spring 2020 Prêt Collection is a story of pristine, embroidered Whites, with splashes of heart-warming Yellows, zesty Neons, playful Tie-and-Dyes, soft Pinks and Peaches and a fresh, breezy palette of Pastels, ending on embroidered and embellished notes which are sure to add an unmatched depth of beauty and versatility to any wardrobe. This summer, we've jumped at the chance to play with Glitter and Hand Block Printing techniques on light, Lawn fabrics, to give them some oomph and desirability. At Kayseria, we strongly believe that great products, painstakingly designed with our signature style, should nonetheless remain accessible and attainable for all connoisseurs of aesthetically sensitive and exciting couture.
