LIMITED EDITION

"It's modern clothes for the urban woman — with a timeless quality and a bit of an edge."

In summer-2 Kayseria limited edition introduces a series of stand-out trends, quite apart from the definitive summer-1. The main objective was to inject some drama into a month/season that has largely been devoid of an overarching theme. This edition is concise offering sculptural kurta's transforming the traditional fluid fabrics into something more structured; However, lightness of touch and neatness of finish prevails.
