Dove Contrast Welt/Driftwood Grey

ENDURING STYLE AND COMFORT

Our interpretation of 5th century Greek Klismos design, our Adones Outdoor Collection introduces modern styling to traditional aesthetics. Resulting in a versatile, transitional look, each artisan-crafted piece features a graceful silhouette and durable, sustainably built frame constructed from solid teak wood. Selected for its natural resistance to the elements, teak's natural oils resist moisture and prevent drying, preserving the wood's stunning features season after season. Cushions are upholstered in your choice of Sunbrella® or InsideOut Performance Fabric®.

PRODUCT DETAILS

- + This collection is crafted from sustainably harvested teak wood, selected for its natural beauty and durability.
- + Teak hardwood contains natural oils that repel insects, prevent drying, and resist moisture. Teak is also resistant to fungal decay, rotting, and warping due to temperature or humidity.
- + Artisan-crafted finishes are applied by hand, using pigment and a wire brush to create subtly distressed appearances.
- + Small imperfections may expose underlying teak wood. If left uncovered, finishes will gradually fade after a season of use. Exposed teak will gradually acquire a beautiful silvery-grey patina (typical of untreated teak wood), adding unique character to your piece.
- + Outdoor cushions made in Mexico are mold- and mildew resistant; sustained by an outdoor elastic support system for added resiliency. Cushions will cradle your body in lasting comfort.
- + Lofty, zippered outdoor cushions are padded with high-resiliency, antimicrobial foam covered in weather-resistant InsideOut Performance Fabric.
- + InsideOut Performance Fabrics are made from durable polyester and polypropylene fibers, which are bleach-cleanable, fade-resistant, anti-mildew, and eco-friendly.
- + Sunbrella® Outdoor Performance Fabrics are woven from 100% solution-dyed materials that are easy to care for, stain-resistant, fade-resistant, colorfast, and provide up to 98% UV protection.
- + Dense foam padding enables high elasticity, providing ideal support and distributing pressure across cushion surfaces—helping seats bounce back from heavy use.
- + Polyester fibers encase foam cushion cores to provide additional comfort.
- + Cushion fill is completely sealed in water-repellent coverings—featuring serged interior edges to enhance cushion strength and longevity.
- + Cushions can be special ordered with a welt in any of our Sunbrella® Spectrum fabrics.
- + Replacement cushions can be ordered to complement your Arhaus outdoor furnishings. Order cushions in a different fabric to completely transform the look of your space.
- + Dining tables feature holes to accommodate outdoor umbrellas.
- + Keep your furniture looking its best. Visit arhaus.com or speak to any Arhaus Design Consultant for care recommendations.

ALTA

CAPE OUTDOOR COLLECTION | FRAME MADE
IN INDONESIA; CUSHIONS MADE IN MEXICO
OF AMERICAN FABRIC

STUNNING YET STURDY

Stunning yet sturdy, our Alta Collection accentuates outdoor living spaces with comfort and style. Sleek frames craftsman-built from solid, sustainably sourced teak, celebrate the wood's natural beauty and the weather-resistant properties that make it exceptionally durable. Performance Weave handwoven from polypropylene rope add a textural element to chair backs. And, plush cushions, padded with dense, antimicrobial foam are upholstered in chic InsideOut Performance Fabric®.

LOUNGE IN LUXURY

Get the look of a chic Miami hotel or Los Angeles poolside in your own outdoor space. With clean lines and a modern silhouette, Andaz beckons you to bask in the sun or nap in the shade. Firm cushions hold their shape, while all-weather fabric looks great year after year. And, complementary toss pillows allow you to relax in maximum comfort.

PRODUCT DETAILS

- + All-weather frames are constructed of kiln-dried, cross-directional, marine-grade plywood—the same wood used to build boats.
- + Frames are reinforced and weatherproofed for added stability and durability.
- + Made in America, our outdoor cushions are mold- and mildew resistant; sustained by an outdoor elastic support system for added resiliency. Cushions will cradle your body for lasting comfort.
- + Lofty outdoor cushions are padded with high-resiliency, antimicrobial foam covered in weather-resistant Sunbrella® or InsideOut performance fabric.
- + Polyester fibers encase foam cushion cores to provide additional comfort.
- + Cushion fill is completely sealed in water-repellent coverings to enhance cushion strength and longevity.
- + Sunbrella® and InsideOut outdoor performance fabrics are woven from 100% solution-dyed materials that are easy to care for, stain-resistant, fade-resistant, colorfast, and provide up to 98% UV protection.
- + Replacement cushions can be ordered to complement your Arhaus outdoor furnishings. Order cushions in a different fabric to completely transform the look of your space.
- + Includes two 20" toss pillows and a kidney pillow for maximum comfort.
- + Keep your furniture looking its best. Visit arhaus.com or speak to any Arhaus Design Consultant for care recommendations.

BAL HARBOUR TEAK

PRODUCT DETAILS

- + This collection is crafted from sustainably harvested Grade A teak wood, selected for its natural beauty and durability.
- + Teak hardwood contains natural oils that repel insects, prevent drying, and resist moisture. Teak is also resistant to fungal decay, rotting, and warping due to temperature or humidity.
- + Our solid teak's natural finish highlights organic variations in color and grain. Each product and finish will vary slightly, displaying small splits, knots, joint lines, or other features, adding character to your piece without affecting its quality or performance.
- + When exposed to the elements natural teak will soften in color, shifting to a silvery-grey patina within about a year of use.
- + Outdoor cushions made in Mexico are mold- and mildew resistant; sustained by an outdoor elastic support system for added resiliency. Cushions will cradle your body in lasting comfort.
- + Lofty, zippered outdoor cushions are padded with high-resiliency, antimicrobial foam covered in weather-resistant Sunbrella® or InsideOut Performance Fabric.
- + InsideOut Performance Fabrics are made from durable polyester and polypropylene fibers, which are bleach-cleanable, fade-resistant, anti-mildew, and eco-friendly.
- + Sunbrella® Outdoor Performance Fabrics are woven from 100% solution-dyed materials that are easy to care for, stain-resistant, fade-resistant, colorfast, and provide up to 98% UV protection.
- + Dense foam padding enables high elasticity, providing ideal support and distributing pressure across cushion surfaces—helping seats bounce back from heavy use.
- + Polyester fibers encase foam cushion cores to provide additional comfort.
- + Cushion fill is completely sealed in water-repellent coverings—featuring serged interior edges to enhance cushion strength and longevity.
- + Sectional components are held together by connectors to prevent shifting.
- + Replacement cushions can be ordered to complement your Arhaus outdoor furnishings. Order cushions in a different fabric to completely transform the look of your space.
- + Keep your furniture looking its best. Visit arhaus.com or speak to any Arhaus Design Consultant for care recommendations.

BAL HARBOUR ALUMINUM

PRODUCT DETAILS

- + Craftsman-built frames made from all-weather tube and cast aluminum feature precision welds and reinforced stress points.
- + Aluminum frames feature a hand-applied powder-coated finish which create a protective, weather-resistant, rustproof, and UV-inhibiting barrier that's ten times more durable than paint.
- + Outdoor cushions made in Mexico are mold- and mildew resistant; sustained by an outdoor elastic support systems for added resiliency. Cushions will cradle your body in lasting comfort.
- + Lofty, zippered outdoor cushions are padded with high-resiliency, antimicrobial foam covered in weather-resistant Sunbrella® or InsideOut Performance Fabric.
- + InsideOut Performance Fabrics are made from durable polyester and polypropylene fibers, which are bleach-cleanable, fade-resistant, anti-mildew, and eco-friendly.
- + Sunbrella® Outdoor Performance Fabrics are woven from 100% solution-dyed materials that are easy to care for, stain-resistant, fade-resistant, colorfast, and provide up to 98% UV protection.
- + Dense foam padding enables high elasticity, providing ideal support and distributing pressure across cushion surfaces—helping seats bounce back from heavy use.
- + Polyester fibers encase foam cushion cores to provide additional comfort.
- + Cushion fill is completely sealed in water-repellent coverings—featuring serged interior edges to enhance cushion strength and longevity.
- + Sectional components are held together by connectors to prevent shifting.
- + Replacement cushions can be ordered to complement your Arhaus outdoor furnishings. Order cushions in a different fabric to completely transform the look of your space.
- + Protect your outdoor furnishings with resilient Sur Last® covers—specifically tailored to fit Arhaus outdoor collections. Speak to a design consultant for details.
- + Keep your furniture looking its best. Visit arhaus.com or speak to any Arhaus Design Consultant for care recommendations.

custom-fit outdoor furniture covers

Protect your furnishings with resilient Sur Last® covers—specifically tailored to fit Arhaus outdoor collections. Speak to a design consultant for details.

sleek and versatile comfort

A perfect fit for smaller or busy outdoor spaces, our Branson collection is expertly designed and craftsman-built to add sleek, versatile style to your patio, poolside, or living room. Narrow sloped arms are complemented by a low profile and plushly upholstered cushions to provide a comfortable, chic aesthetic.

product details

- ▶ All-weather frames are constructed of kiln-dried, cross-directional, marine-grade plywood—the same wood used to build boats.
- ▶ Frames are reinforced and weatherproofed for added stability and durability.
- ▶ Made in America, our outdoor cushions are mold- and mildew resistant; sustained by an outdoor elastic support system for added resiliency. Cushions will cradle your body for lasting comfort.
- ▶ Lofty, zippered outdoor cushions are padded with high-resiliency, antimicrobial foam covered in weather-resistant Sunbrella® or Inside Out® performance fabric.
- ▶ Polyester fibers encase foam cushion cores to provide additional comfort.
- ▶ Cushion fill is completely sealed in a water-repellent coverings to enhance cushion strength and longevity.
- ▶ Inside Out® Outdoor Performance Fabrics are made from durable polyester and polypropylene fibers, which are pill-resistant, bleach-cleanable, fade-resistant, anti-mildew, and eco-friendly.
- ▶ Sunbrella® Outdoor Performance Fabrics are woven from 100% solution-dyed materials that are easy to care for, stain-resistant, fade-resistant, colorfast, and provide up to 98% UV protection.

BRISBANE

OUTDOOR OCCASIONAL COLLECTION

TABLE BASES MADE IN INDONESIA.

TABLETOPS MADE IN VIETNAM

COFFEE TABLE

62" w x 34.25" d x 17" h
70BRISRTCFKT

Featuring a grey terrazzo tabletop, made with speckled chips of white marble and other stones in varying shapes and sizes, our Brisbane Coffee Table is chic, durable, and low maintenance. Sustainably built table bases are constructed from solid teak wood, which is naturally weather resistant and only looks better with age.

PRODUCT DETAILS

- + Terrazzo tabletops are crafted from a composite concrete speckled with chips of marble and stones in varying shapes and sizes.
- + Rough edges or marks in the edge profile are commonly found in terrazzo surfaces, adding character to each piece—giving it a distinct appearance.
- + Finished surfaces are polished, sealed, and coated with a clear polyurethane topcoat for added protection against scratching and staining.
- + Due to the inherent variety found in terrazzo surfaces, no two pieces will appear exactly alike. Variations in color and texture make each piece truly one-of-a-kind.
- + Natural imperfections—like surface cracks from finishing or non-structural hairline cracks due to age and exposure— will add character to your piece without affecting its integrity, quality, or performance.
- + Table bases are crafted from sustainably harvested teak wood, selected for its natural beauty and durability.
- + Teak hardwood contains natural oils that repel insects, prevent drying, and resist moisture. Teak is also resistant to fungal decay, rotting, and warping due to temperature or humidity.
- + Artisan-crafted teak finishes are applied by hand, using pigment and a wire brush to create subtly distressed appearances.
- + Small imperfections may expose underlying teak wood. If left uncovered, finishes will gradually fade after a season of use. Exposed teak will gradually acquire a beautiful silvery-grey patina (typical of untreated teak wood), adding unique character to your piece.
- + Keep your furniture looking its best. Visit arhaus.com or speak to any Arhaus Design Consultant for care recommendations.

HANDCRAFTED FROM SUSTAINABLY HARVESTED SOLID TEAK WOOD

Our Canyon Collection pairs wide slats and angled details with a low profile and deep seats, resulting in a classic yet modern silhouette. Our artisan-applied weathered finish is complemented by antimicrobial cushions covered in Sunbrella® Outdoor Performance Fabric. Meticulous craftsmanship and timeless design will have you coming back season after season.

PRODUCT DETAILS

- + This collection is crafted from sustainably harvested teak wood, selected for its natural beauty and durability.
- + Teak hardwood contains natural oils that repel insects, prevent drying, and resist moisture. Teak is also resistant to fungal decay, rotting, and warping due to temperature or humidity.
- + Artisan-crafted finishes are applied by hand, using pigment and a wire brush to create subtly distressed appearances.

- + Outdoor cushions made in Mexico are mold- and mildew resistant; sustained by an outdoor elastic support systems for added resiliency. Cushions will cradle your body in lasting comfort.
- + Lofty, zippered outdoor cushions are padded with high-resiliency, antimicrobial foam covered in weather-resistant Sunbrella® or Inside Out® performance fabric.
- + Dense foam padding enables high elasticity, providing ideal support and distributing pressure across cushion surfaces—helping seats bounce back from heavy use.
- + Polyester fibers encase foam cushion cores to provide additional comfort.

PRODUCT DETAILS (CONT'D)

- + Cushion fill is completely sealed in water-repellent coverings—featuring serged interior edges to enhance cushion strength and longevity.
- + Sunbrella® Outdoor Performance Fabrics are woven from 100% solution-dyed materials that are easy to care for, stain-resistant, fade-resistant, colorfast, and provide up to 98% UV protection.
- + Inside Out® Outdoor Performance Fabrics are made from durable polyester and polypropylene fibers, which are pill-resistant, bleach-cleanable, fade-resistant, anti-mildew, and eco-friendly.
- + Replacement cushions can be ordered to complement your Arhaus outdoor furnishings. Order cushions in a different fabric to completely transform the look of your space.
- + Keep your furniture looking its best. Visit arhaus.com or speak to any Arhaus Design Consultant for care recommendations.

HANDCRAFTED FROM SUSTAINABLY HARVESTED SOLID TEAK WOOD

Our Canyon Collection pairs wide slats and angled details with a low profile and deep seats, resulting in a classic yet modern silhouette. Our artisan-applied weathered finish is complemented by antimicrobial cushions covered in Sunbrella® Outdoor Performance Fabric. Meticulous craftsmanship and timeless design will have you coming back season after season.

PRODUCT DETAILS

- + This collection is crafted from sustainably harvested teak wood, selected for its natural beauty and durability.
- + Teak hardwood contains natural oils that repel insects, prevent drying, and resist moisture. Teak is also resistant to fungal decay, rotting, and warping due to temperature or humidity.
- + Artisan-crafted finishes are applied by hand, using pigment and a wire brush to create subtly distressed appearances.
- + Small imperfections may expose underlying teak wood. If left uncovered, finishes will gradually fade after a season of use. Exposed teak will gradually acquire a beautiful silvery-grey patina (typical of untreated teak wood), adding unique character to your piece.
- + Outdoor cushions made in Mexico are mold- and mildew resistant; sustained by an outdoor elastic support systems for added resiliency. Cushions will cradle your body in lasting comfort.
- + Lofty, zippered outdoor cushions are padded with high-resiliency, antimicrobial foam covered in weather-resistant Sunbrella® or Inside Out® performance fabric.
- + Dense foam padding enables high elasticity, providing ideal support and distributing pressure across cushion surfaces—helping seats bounce back from heavy use.
- + Polyester fibers encase foam cushion cores to provide additional comfort.

PRODUCT DETAILS (CONT'D)

- + Cushion fill is completely sealed in water-repellent coverings—featuring serged interior edges to enhance cushion strength and longevity.
- + Sunbrella® Outdoor Performance Fabrics are woven from 100% solution-dyed materials that are easy to care for, stain-resistant, fade-resistant, colorfast, and provide up to 98% UV protection.
- + Inside Out® Outdoor Performance Fabrics are made from durable polyester and polypropylene fibers, which are pill-resistant, bleach-cleanable, fade-resistant, anti-mildew, and eco-friendly.
- + Replacement cushions can be ordered to complement your Arhaus outdoor furnishings. Order cushions in a different fabric to completely transform the look of your space.

CONTEMPORARY COMFORT FOR ANY OUTDOOR SPACE

Our Coburn Outdoor Collection offers endless possibilities, with modular pieces that are easy to arrange and even easier to love. Crafted in casual style, Coburn features clean lines and oversized cushions that are padded with dense antimicrobial foam and covered in your choice of easy-to-clean outdoor performance fabric.

PRODUCT DETAILS

- + The perfect combination of structure and sink-into-it comfort, Coburn frames are craftsman-built from all-weather tube and cast aluminum, featuring precision welds and reinforced stress points.
- + Frames feature a no-sag, recycled-steel, sinuous support system and a network of flexible webbing beneath seat cushions for evenly dispersed, firm yet flexible comfort.
- + Outdoor cushions are padded with high-resiliency, antimicrobial foam covered in weather-resistant, solution-dyed olefin fabric.
- + Dense foam padding enables high elasticity, providing ideal support and distributing pressure across cushion surfaces—helping seats bounce back from heavy use.
- + Polyester fibers encase foam cushion cores to provide additional comfort.
- + Cushion fill is completely sealed in a water-repellent coverings to enhance cushion strength and longevity.
- + Keep your furniture looking its best. Visit arhaus.com or speak to any Arhaus Design Consultant for care recommendations.

CHIC AND CONTEMPORARY

Our Cole Chair easily complements any outdoor living space. Minimalist, low-profile frames are built using marine-grade materials to withstand the weather season after season. And, plush cushions expertly upholstered in Outdoor Performance Fabric are padded with dense, antimicrobial foam to create versatile outdoor comfort that you can simply sink into.

PRODUCT DETAILS

- + All-weather frames are constructed of kiln-dried, cross-directional, marine-grade plywood—the same wood used to build boats.
- + Frames are reinforced and weatherproofed for added stability and durability.
- + Made in America, our outdoor cushions are mold- and mildew resistant; sustained by an outdoor elastic support system for added resiliency. Cushions will cradle your body for lasting comfort.
- + High-resiliency, antimicrobial foam is covered in weather-resistant Sunbrella® or InsideOut performance fabric.
- + Polyester fibers encase foam cushion cores to provide additional comfort.
- + Cushion fill is completely sealed in a water-repellent coverings to enhance cushion strength and longevity.
- + InsideOut Outdoor Performance Fabrics are made from durable polyester and polypropylene fibers, which are pill-resistant, bleach-cleanable, fade-resistant, anti-mildew, and eco-friendly.
- + Sunbrella® Outdoor Performance Fabrics are woven from 100% solution-dyed materials that are easy to care for, stain-resistant, fade-resistant, colorfast, and provide up to 98% UV protection.
- + Coated stainless steel swivel mechanisms are bolted to frames for lasting strength and reliability.
- + Swivel chair bases rotate 360 degrees.
- + Keep your furniture looking its best. Visit arhaus.com or speak to any Arhaus Design Consultant for care recommendations.

SLEEK IN STYLE YET EXCEPTIONALLY DURABLE

our Concrete Stool is the perfect accompaniment to any outdoor gathering space as either an extra seat or handy side table. This stool is expertly crafted from high-strength Glass fiber-Reinforced Concrete, resulting in a lightweight, weather resistant piece. Naturally varying finishes are carefully colored, sealed, sanded, and coated with a polyurethane top coat for added protection.

PRODUCT DETAILS

- + Our Concrete Stool is crafted from Glass fiber-Reinforced Concrete—made by layering high-strength glass fibers and cement to create a lightweight yet exceptionally durable, weather-resistant composite.
- + Finished pieces are colored, sealed, sanded, and coated with a polyurethane topcoat for added protection against scratching and staining.
- + Inherent variations in shading and color along with natural imperfections—like surface cracks from finishing or non-structural hairline cracks due to age and exposure—will add character to your piece without affecting its integrity, quality, or performance.
- + Keep your furniture looking its best. Visit arhaus.com or speak to any Arhaus Design Consultant for care recommendations.

your style your way

Our Design Consultants can help you craft a custom design with hundreds of options to choose from. Ask in store or call **866.427.4287**

all-weather comfort and style

Expertly fitted in easy-to-clean, all-weather slipcovers made from stunning outdoor fabrics, our Costa Rei Outdoor Swivel Chair will stylishly complement any alfresco oasis. Hand-crafted by artisans in North Carolina, this swivel chair is built with same attention to quality and design as our indoor upholstery and features a durable weather-resistant base constructed from marine-grade wood. Swivel mechanisms rotate 360 degrees, allowing you to take in your surroundings from all sides.

product details

- ▶ All-weather frames are constructed of kiln-dried, cross-directional, marine-grade plywood—the same wood used to build boats.
- ▶ Frames are constructed using mortise-and-tenon joinery, reinforced, and weatherproofed for added stability and durability.
- ▶ Cushions are slipcovered in all-weather Sunbrella® fabrics.
- ▶ Sunbrella® fabrics are weatherproof and resist stains and fading.
- ▶ Cushions are made in America and padded with mold- and mildew-resistant, anti-microbial foam.
- ▶ Aluminum swivel mechanisms are contracted for outdoor use and resist rust.

NEXT-LEVEL STYLE AND ALL-WEATHER COMFORT

Handwoven from our exclusive all-weather wicker, our Crew Hanging Chair features an open weave design over a rustproof aluminum frame. Dry-brushed with varied high and low tones, this fun and fashionable chair mimics the appearance of natural rattan; complemented by plush cushions upholstered in your choice of Sunbrella® or InsideOut Performance Fabric®. Available with textilene rope for hanging or a rustproof aluminum stand, this chair will create an exciting yet relaxing moment in any outdoor space.

PRODUCT DETAILS

- + Designed to resist the elements, this collection is suitable for year-round use.
- + Our exclusive all-weather resin wicker is specially formulated for design and durability to create the highest quality outdoor furnishings possible.
- + Perfectly mimicking the beauty of authentic natural materials, our resin wicker is colored with varying high and low tones. Masterfully dry-brushed finishes create organic textures that add depth to woven surfaces.
- + All-weather wicker surfaces are handwoven by artisans around rustproof aluminum frames, resulting in durable, corrosion-resistant furniture that will last season after season.
- + Outdoor cushions made in Mexico are mold- and mildew resistant; sustained by an outdoor elastic support system for added resiliency.
- + Lofty outdoor cushions are padded with high-resiliency, antimicrobial foam covered in your choice of weather-resistant Sunbrella® or InsideOut Performance Fabric.
- + InsideOut Performance Fabrics are made from durable polyester and polypropylene fibers, which are bleach-cleanable, fade-resistant, anti-mildew, and eco-friendly.
- + Sunbrella® outdoor performance fabric is woven from 100% solution-dyed materials that are easy to care for, stain-resistant, fade-resistant, colorfast, and provide up to 98% UV protection.
- + Dense foam padding enables high elasticity, providing ideal support and distributing pressure across cushion surfaces—helping seats bounce back from heavy use.
- + Polyester fibers encase foam cushion cores to provide additional comfort.
- + Cushion fill is completely sealed in water-repellent coverings—featuring serged interior edges to enhance cushion strength and longevity.
- + Headrest ties can be adjusted to match your personal comfort preferences.
- + Hanging chairs are suspended from Textilene rope—selected for its exceptional performance and durability.
- + Chair stands are made from aluminum—featuring hand-applied, powder-coated finishes, which create a protective, water- and rustproof barrier that's 10 times more durable than paint.
- + Chairs support a maximum weight of 200 lbs.
- + Chairs with Rope include a 0.55" diameter x 162" L rope.
- + Hanging chairs with rope do not include assembly hardware; professional installation recommended.
- + When used with its stand, this chair is only intended for hanging. Swinging, spinning, or twisting the chair while hanging is not recommended as it may cause harm or injury.
- + Replacement cushions can be ordered to complement your Arhaus outdoor furnishings. Order cushions in a different fabric to completely transform the look of your space.
- + Keep your furniture looking its best. Visit arhaus.com or speak to any Arhaus Design Consultant for care recommendations.

contemporary curves

Like our sophisticated Darrow indoor collection, this outdoor sectional features a stunning crescent shape, which allows you to frame your outdoor living space using new and interesting arrangements. This luxurious collection features a clean-lined, contemporary silhouette with floating, sloped track arms and a tight back. Each component is thoughtfully crafted by dedicated upholstery artisans. Reinforced and weatherproofed frames are built using kiln-dried, cross-directional, marine-grade plywood for stability and durability. Luxurious cushions are covered all-weather Sunbrella® fabrics and padded with antimicrobial foam for hours of lounging and relaxation.

product details

- ▶ Outdoor cushions are covered in Easy-Care Sunbrella® Outdoor fabric, the world's leading outdoor performance textile.
- ▶ Color-fast Sunbrella fabrics are woven from 100 percent solution-dyed acrylic that is stain- and fade-resistant and can withstand even the harshest elements.
- ▶ Made in America from antimicrobial foam, our plush outdoor cushions are mold- and mildew-resistant.
- ▶ Cushions are sustained by an outdoor elastic support system that cradles your body for lasting comfort.
- ▶ All-weather frames are constructed of kiln-dried, cross-directional, marine-grade plywood—the same wood used to build boats.
- ▶ Frames are reinforced and weatherproofed for added stability and durability.
- ▶ Designed to resist the elements, this collection is suitable for year-round use.

Lounge Chair

27.25" w x 30.25" d x 32" h
70DECLANCH

classic, modern design

Strands of all-weather wicker, featuring meticulously crafted, nautical rope detailing, are woven together by furniture artisans in Indonesia to form the basket-weave seat and back of our Declan Outdoor Lounge Chairs. Subtle variations in color and texture between our resilient, resin wicker and natural, solid teak frames result in a beautiful depth of design. This mix of materials will durably resist the elements year-round. Natural teak wood resists insects, drying and moisture while adding warm color to outdoor or indoor seating arrangements.

product details

- ▶ Chair seats and backs are handwoven from durable all-weather wicker and finished to create a basket-weave design.
- ▶ Meticulous detailing is designed to resemble nautical ropes.
- ▶ Handwoven all-weather, resin wicker is specially formulated and finished to resemble authentic rattan.
- ▶ Our all-weather wicker's resin formula is one-of-a-kind—created specifically for Arhaus. Resin strands display varied high and low tones, adding beautiful depth to woven surfaces.
- ▶ Chair frames are handcrafted from sustainably harvested teak wood, selected for its natural beauty and durability.
- ▶ Teak hardwood contains natural oils that repel insects, prevent drying, and resist moisture.
- ▶ Teak is also resistant to fungal decay, rotting, warping due to weather and temperature.
- ▶ Typical of outdoor wood, teak will gradually develop a soft, grey patina due to exposure.
- ▶ Hairline-cracking and peeling of stained outdoor wood is a normal reaction to the elements and may occur over time relative to care and use. This natural aging is typical, will add unique character to your piece, and is not considered a defect.
- ▶ Designed to resist the elements, this piece is suitable for year-round use.

outdoor accent lounge

Bring the comfort and sophistication of your living room to your outdoor spaces. Our Elia Swivel Chair features a round shape ideally designed for lounging yet is durably built for the outdoors. The sturdy swivel chair is constructed by artisan hands using kiln-dried, cross-directional, marine-grade plywood—the same lumber used in boat building. This is supported by a reinforced, weatherproof frame, topped with antimicrobial cushions, and slipcovered in weatherproofed, easy-to-maintain Sunbrella® fabric, resulting in an interesting accent chair for your patio.

product details

- ▶ Sunbrella® fabrics are weatherproof and resist stains and fading.
- ▶ Cushions are made in America and comprised of mold- and mildew-resistant, anti-microbial foam.
- ▶ Cushions are sustained by an outdoor elastic support system that cradles your body for lasting comfort.
- ▶ All-weather frames are constructed of kiln-dried, cross-directional, marine-grade plywood—the same wood used to build boats.
- ▶ Frames are reinforced and weatherproofed for added stability and durability.
- ▶ Designed to resist the elements, this collection is suitable for year-round use.
- ▶ Features a swivel base for 360 degree motion.
