Dining Table 84" w x 37" d x 31" h 34FRNBR84DT

a dramatic, handcrafted statement

with substantial baluster legs, each rustic Francis dining table is artisan-built from solid reclaimed pine. This stunning, sustainably sourced wood features unique organic markings and distinct variations in color, grain, and texture - making each individual piece a true one-of-a-kind. Completed tables are constructed using traditional techniques and carefully antiqued by hand-finished in natural tones while accentuating the reclaimed wood's unique features.

product details

- Craftsman-built from solid, sustainably sourced reclaimed pine that has been salvaged from old doors, homes, boats and barns in rural farming regions.
- As an extension of Arhaus' commitment to environmental resources, we reclaim wood as a way to contribute to a healthy and renewable ecosystem.
- Constructed using traditional Chinese furniture-making techniques reinforced with mortise-and-tenon joinery.
- Natural antiqued finishing is distressed by hand for added detail and texture. Finished surfaces are coated with wax for added protection.
- This collection is artisan-crafted from reclaimed wood with hand-applied finishes. Due to this, individual pieces will vary in color, pattern, shape, and texture, making each piece truly unique.
- Reclaimed wood may display small splits, knots, joint lines, or other organic features that will not affect the quality or performance of your piece.
- Furniture made from reclaimed wood may move slightly due to temperature and humidity. This is normal and should be expected from season to season.
- Keep your furniture looking its best. Visit arhaus.com or speak to any Arhaus Design Consultant for care recommendations.
