LOUNGE CHAIR

"EVERY BRUSHSTROKE, EVERY CARVING, EVERY DETAIL IS BEAUTIFUL."
-JOHN REED, ARHAUS COFOUNDER

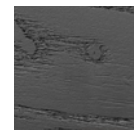

Uniquely modern with a luxurious, upholstered design, our Bottoni Lounge Chair Collection is handcrafted by master artisans in a region of Italy known for its furniture making. Our exclusive partners for more than 20 years, a family of artists and craftsmen build each chair by hand. Hand-sewn upholstery padded with dense foam is sustained by flexible support. Finishes are meticulously applied by hand with multiple layers of stain and distressing, using techniques passed down from one generation to the next, combining comfort and style that lets you gather a little longer.

PRODUCT DETAILS

- + Lounge chair frames are handcrafted by Italian artisans, built with birch plywood supporting the seat and solid poplar plywood supporting backrests.
- + Legs on each piece are crafted from solid beech wood and accented with brass tacks.
- + Hand-applied, layered finishes are artfully distressed and lacquered for an elegant, timeworn appearance.
- + Seats and backrests are generously padded with dense foam sustained by a flexible network of durable webbing designed for comfortable, evenly dispersed support.
- + Handcrafted furnishings made from natural materials with hand-applied finishes may vary in color, pattern, shape, and texture.
- + Our Performance Fabrics are extremely durable and resist stains and fading but remain beautiful and soft to the touch.
- + Keep your furniture looking its best. Visit arhaus.com or speak to any Arhaus Design Consultant for care recommendations.
