## WELCOME ABOARD THE PORTSMOUTH

Exuding quaint harbor charm, our Portsmouth Collection features dramatic silhouettes and rustic styling. Craftsman-built, solid beech frames are left exposed and finished by hand to accentuate the wood's natural markings. Seat backs are sectioned by three cross spalls, which suggest the exposed hull of a small wooden boat. And, luxurious upholstery—in chic fabric or rich, artisan-finished leather—is complemented by hand-applied nailheads and hand-carved, tapered legs.

## A MASTER COMPOSITION

With an adventurous blend of artisan-crafted upholstery, hand-finished wood framing, and midcentury modern styling, our Wordsmith Collection is ideal for long hours of reading, writing and relaxation. Tall, dramatic silhouettes create a perfect pitch for your back and head, while solid maple arms are gently contoured with elbow cradles. Designer-curated fabrics and leathers add luxury to generously cushioned seats sustained by evenly dispersed spring support. And, exposed stitching and other handcrafted details add charm and character to every sophisticated piece.

### PRODUCT DETAILS

- + Craftsman-built frames are constructed using solid, reinforced, laminate hardwood for lasting strength and superior stability.
- + Made in America—this collection was handcrafted by upholstery artisans in North Carolina.
- + Arhaus upholstery is made using wood certified by the Sustainable Forestry Initiative.
- + Frames feature a recycled-steel Flexolator suspension system beneath seat cushions for evenly dispersed, firm yet flexible comfort.
