TORQUE USA

ABOUT X-SIEGE

At its core, the X-SIEGE combines the limitless customization of an X-RACK with lower frame supports and frame gussets to create one totally functional, free-standing system. In five different upright color options and endless custom possibilities from ball targets to cable columns, the perfect solution for every facility exists.

Choose Your Height and Color

Available in five colors, X-SIEGE can be a sleek addition to your facility, or a bold branding opportunity. X-SIEGE uprights are available in either 8 ft. or 9 ft. height options.

Combine Olympic and Functional Training

From nylon covered fully welded weight plate pegs, lower band resistance pegs, bar catches and bar supports, multi-grip crosses and more, X-SIEGE attachments cater to any style of training facility and user.
